The Society now has a NEW address:

P.O.BOX 87, BURWOOD, NSW, 2134.

Please tell ALL YOUR FRIENDS about it. All mail, excluding inquiries about the seed bank and articles and letters to the Editor, are to be sent to the new address.

We are happy to say our Society is growing. We hope to share, and expand, our knowledge on the cultivation of carnivorous plants.

SWAP/SELL/BUY:

[We offer you the opportunity to advertise in FLYTRAP NEWS and/or the FLYTRAP NEWS SUPPLEMENT.]

Kevin Donovan, c/o Truro Post Office, TRURO, South Australia, 5356; is willing to trade *Utricularia alpina* for *Aldrovanda vesiculosa*.

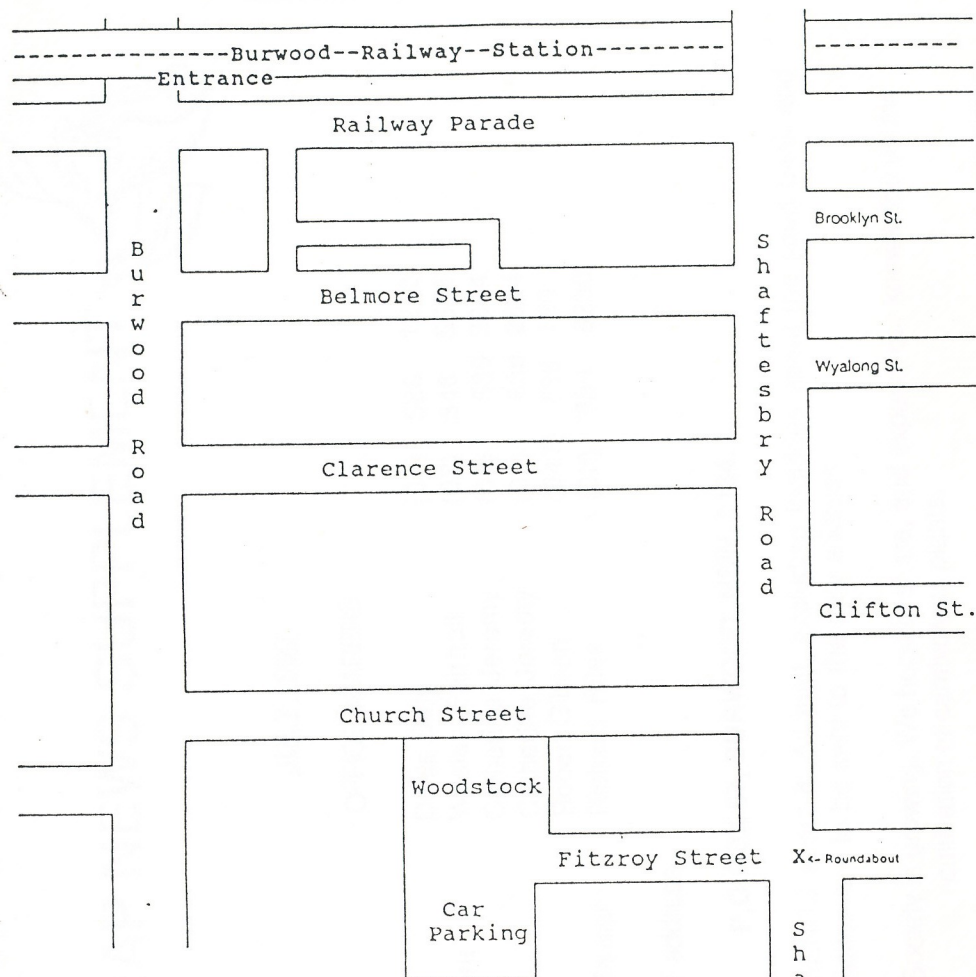

Allen Lowrie, of 6 Glenn Place, DUNCRAIG, Western Australia, 6023, is after a live ,flowering -size plant of *Drosera schizandra*. He is also after live, and pickled (alcohol or FAA) samples of *Utricularia monanthos* (from the wild) , *U. dichotoma*, *U. caerulea* and *U. Lateriflora*.

A GOOD IDEA - LET'S GIVE IT OUR FULL SUPPORT

Allen Lowrie would like to initiate a nation-wide project to improve the range of CP material in herbariums (most are terrible). What is required is for individuals, and groups, to obtain good collections of CP's from the wild, both common and rare species. About 12 good specimens IN FLOWER are required per species. Press the plants in preparation for mounting on herbarium sheets (a telephone book works well). Don't forget to record details of the location, soil-type, date and the collectors name. More details will appear in the October, 1990, FLYTRAP NEWS.

MEMBERSHIP IS NOW DUE (except for those members who joined after April,1990). Fill in the form below, with payment, and send it to P.O.BOX 87,BURWOOD, NSW, 2134. Our Financial year is July 1 to June 30.
