

THE AUSTRALASIAN CARNIVOROUS PLANTS SOCIETY INC.

# CARNIFLORA NEWS

April 2018

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. that documents the meetings, news and events of the Society.

The current committee of the Australasian Carnivorous Plant Society Inc. comprises:

**President** - Wesley Fairhall

**Vice President** – David Colbourn

**Treasurer** – Kirk 'Füzzzy' Hirsch

**Secretary** - Kirk 'Füzzzy' Hirsch

**Journal Editor** - Dr. Robert Gibson

**Public Officer** - Wesley Fairhall

**Publicity Officer** – Kirk 'Füzzzy' Hirsch

**Website Manager** – Marina Chong

**Newsletter Editor** - David Colbourn

**Merchandise Manager** – David Colbourn

**Social Media Coordinator** – Glen Moss

**Brisbane Coordinator** – Alan Haase

**Brisbane Coordinator** - Brent Jones

**Canberra Coordinator** - Barry Bradshaw

**Canberra Coordinator** - Christian Fricker

**Events Coordinator** - Jeremy Aitken

**Seed Bank Manager** - Ian Woolf

# CALENDAR

## APRIL

2nd April 2018 - Carnivorous Plant Judging, Royal Easter Show  
4th April 2018 - AUSCPS meeting - Brisbane  
6th April 2018 - AUSCPS meeting - Canberra featuring a talk on growing carnivorous plants indoors under artificial lights and in terrariums – Christian Fricker  
7-8th April 2018 - Collectors' Plant Fair, Clarendon, N.S.W.  
13th April 2018 - AUSCPS meeting - Sydney; featuring *Nepenthes*

## MAY

2nd May 2018 - AUSCPS meeting - Brisbane  
4th May 2018 - AUSCPS meeting - Canberra  
11th May 2018 - AUSCPS meeting - Sydney; featuring *Cephalotus* and *Heliophora*  
20th May 2018 - KOI PET & GARDEN SHOW - Fairfield Showground

## JUNE

6th June 2018 - AUSCPS meeting - Brisbane  
8th June 2018 - AUSCPS meeting - Sydney; featuring Carnivorous Bromeliads

## JULY

4th July 2018 - AUSCPS meeting - Brisbane  
13th July 2018 - AUSCPS meeting - Sydney; AGM featuring Winter growing *Drosera*

## AUGUST

1st August 2018 - AUSCPS meeting - Brisbane  
3-5th August 2018 - 12th International Carnivorous Plant Society Conference - California  
10th August 2018 - AUSCPS meeting - Sydney; featuring *Pinguicula*

## SEPTEMBER

5th September 2018 - AUSCPS meeting - Brisbane  
14th September 2018 - AUSCPS meeting - Sydney; featuring *Nepenthes*  
22-23rd September 2018 - Kariong Plant Lovers' Fair

## OCTOBER

3rd October 2018 - AUSCPS meeting - Brisbane  
12th October 2018 - AUSCPS meeting - Sydney; featuring Summer growing *Drosera*

## NOVEMBER

7th November 2018 - AUSCPS meeting - Brisbane  
9th November 2018 - AUSCPS meeting - Sydney, featuring *Sarracenia* and *Darlingtonia*  
Triffid Park open day (TBA)

## DECEMBER

5th December 2018 - AUSCPS meeting - Brisbane  
TBA - VCPS annual show, Collector's Corner, Melbourne  
TBA - Plants with Bite - The Blue Mountains Botanic Gardens - Mt Tomah

## JANUARY

2nd January 2019 - AUSCPS meeting - Brisbane  
4th January 2019 - AUSCPS meeting - Canberra  
11th January 2019 - AUSCPS meeting - Sydney; featuring *Dionaea* (VFT) - Raffle Draw

## FEBRUARY

1st February 2019 - AUSCPS meeting - Canberra  
6th February 2019 - AUSCPS meeting - Brisbane  
8th February 2019 - AUSCPS meeting - Sydney; featuring *Byblis*, *Drosophyllum* and *Roridula*.

## MARCH

1st March 2019 - AUSCPS meeting - Canberra  
6th March 2019 - AUSCPS meeting - Brisbane  
8th March 2019 - AUSCPS meeting - Sydney; featuring *Utricularia*, *Aldrovanda* and *Genlisea*.

## NEWS

### **BRISBANE MEETINGS**

The Brisbane chapter of the AUSCPS is now meeting on the first Wednesday of each month to accommodate the needs and wishes of our members. The meetings are still held at 7pm in the Library of the Kenmore Village Shopping Centre, 8 Brookfield Road in Kenmore.

### **CANBERRA MEETINGS**

The AUSCPS is now holding meetings in Canberra to meet the needs of members in Canberra and surrounding districts. Meetings will be held at 7:30pm on the first Friday of each month at the Belconnen Community Theatre on Swanson Street in Belconnen. Call Barry on 0417219477 for access to the building after 7:30pm.

### **JOURNAL UPDATE**

The March 2018 edition of *Carniflora Australis* is out now. This edition has articles on:

Stamps featuring carnivorous plants,  
*Drosera spatulata* var. *gympiensis*,  
Extracting DNA,  
*Pinguicula* in the Jura mountains, and  
*Nepenthes clipeata* x *ventricosa*.

### **YOUTUBE CHANNEL**

The Australasian Carnivorous Plants Society Inc. now has a Youtube channel. Just visit <https://www.youtube.com/channel/UCAsb6QWTkxgbwaPvhUtOyLA/videos>

### **ROYAL EASTER SHOW CARNIVOROUS PLANT COMPETITION**

The Australasian Carnivorous Plant Society Inc. is sponsoring the Carnivorous Plant competition again in 2018 at the Royal Easter Show in Sydney. The Royal Easter Show will run from the 23rd March to the 3rd April 2018 and the Carnivorous Plant competition will be held on Monday the 2nd April. Entry to the competition is now closed however you can inspect the plants on Monday the 2nd and Tuesday the 3rd. The AUSCPS has been invited to man an information table next to the carnivorous plants. We are seeking volunteers to man the stall for 3-4 hours and assist with any enquiries and engage with people who show interest in the plants on the day. Volunteers will receive free entry into the show.

## COLLECTORS' PLANT FAIR

The Collectors' Plant Fair will be held on the weekend of the 7-8th April 2018 at the Hawkesbury Race Club, Clarendon NSW. The Society will again hold a stall at this fair and members are invited to attend and sell their Carnivorous Plants and assist with the many enquiries we receive at the stall. Please contact Jeremy at [auscps@gmail.com](mailto:auscps@gmail.com) with which day(s) you are able to attend.

## CARNIVOROUS PLANT NEWSLETTER

The March 2018 edition of the Carnivorous Plant Newsletter is out now. This edition features articles on:

- A new sectional name for the Brazilian tetraploid clade of *Drosera* subgenus *Drosera*, Sundew chemistry and emergence updates,
- What's new in the world of carnivorous plants - Summary of two symposia held in July 2017,
- Propagation of some tuberous *Drosera* by leaf cutting,
- The use of the right words: why carnitropism is inaccurate for carnivorous plants,
- New cultivars.

## KOI PET & GARDEN SHOW

The AUSCPS will be at the KOI PET & GARDEN SHOW on the 20th May 2018 at the Fairfield Showground. The show starts at 9am, entry is free.

## PENRITH REPTILE SHOW

The AUSCPS manned a stall at the Penrith Reptile Show on the 4th of March 2018. The stall generated significant interest with numerous plants sold and membership forms handed out.

## 12th INTERNATIONAL CARNIVOROUS PLANT SOCIETY CONFERENCE

The 12th ICPS conference will be held over the 3-5th August 2018 in Santa Rosa, California. More information may be found at <https://www.icpscon2018.com/>

## FUND RAISING RAFFLE

Allen Lowrie has kindly donated to the Society his Magnum Opus, a three volume set of books about the Carnivorous Plants of Australia. The raffle will run throughout the year and be drawn at the Sydney meeting in January 2019. The books will be posted direct to the winner, worldwide. Tickets are \$2 each or 3 for \$5. Tickets may be purchased at the Brisbane, Canberra or Sydney meetings, at various fairs and events attended by the Society, or via Paypal on Facebook. The funds raised will help the Society promote Carnivorous Plants in Australia via our Field Guide and other initiatives we have planned in the future.

## SEED BANK NEWS

Some generous members have donated new varieties of seed including *Nepenthes (ventricosa x burkeii) x ventricosa*, *Drosera rotundifolia* and *Drosera finlaysoniana*. Packets of seed are \$1 for members. Contact Ian Woolf on [iwoolf@gmail.com](mailto:iwoolf@gmail.com) to purchase your seed.

## NOMINATIONS FOR THE EXECUTIVE COMMITTEE

Our A.G.M. will be held at the July meeting in Sydney. One of the objectives at this meeting is to elect committee members to the Executive. We are now a National Society, and as such, members from across Australia are eligible to be nominated for each position. A description of each elected position is contained below. The next newsletter will contain instructions on how to nominate members for the listed positions. A list of nominations will then be published in June and voted on at the A.G.M. Interstate / international members will be able to make their vote via email.

**President** - The President oversees all of the Society's activities and will chair general, extraordinary, and Annual General meetings in accordance with proper business meeting etiquette. The President casts the 'Deciding Vote' in the event of a deadlock arising from a motion or other matters requiring a vote at Committee level. The president will need good communication, people management, motivational, organisational and delegation skills.

**Vice President** - The Vice President is responsible for the overall operation of the Society in the absence or otherwise incapacity of the President. The Vice President requires good communication, teamwork and organisational skill.

**Treasurer** -The Treasurer shall ensure that correct books and accounts are kept showing the financial affairs of the Society. These records shall be available for inspection by any member and shall be held in the custody of the Treasurer. A financial report is to be presented at the A.G.M. The Treasurer will need good accounting and communication skills.

**Secretary** - The Secretary shall ensure that records of the rules of the Society, the register of members, and minutes of all general and committee meetings are kept. These records shall be available for inspection by any member and shall be held in the custody of the Secretary. The Secretary will need good organisational and communication skills.

## **BRAINBUZZ**

Last year, Brent Jones attended the Channel Nine studios in Brisbane and filmed a short segment on carnivorous plants for a new children's show call BrainBuzz. This segment will go to air at 8am on Thursday the 19th April on Channel 9GO (099) or saved shows on NineNow, Channel Nines internet TV channel. The segment was part of a "Food Chains" theme for the show.

# SYDNEY MEETING MINUTES

## MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, 9TH MARCH 2018, WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7:50p.m.

### PRESENT

There were 15 members in attendance. Welcomed Andrew Broome and Peter Sebborn from New Zealand

### APOLOGIES

Greg Bourke,

### MINUTES OF PREVIOUS MEETING

The minutes of the February 2018 meeting were tabled. Those present were asked to confirm the accuracy of the minutes and to suggest changes, omissions or corrections. In the absence of any corrections, omissions or corrections a motion was raised that the minutes be accepted / or following feedback the minutes were to be updated. A motion was raised that the minutes with update be accepted by those present.

Moved by: Wesley Fairhall

Seconded by: Laurie Dorfer

Motion: carried

### BUSINESS ARISING

1. Update on AUSCPS meeting in Canberra; 16 Members last week, with three new members.
2. Update on AUCPS meeting in Brisbane;
3. Update on *The Field Guide to Carnivorous Plants in the Sydney Region*; Still in-situ
4. Update on Gordon Cheers request for an AUSCPS speaker for the Tropical Garden Society, Sydney. This Society meets on the 4<sup>th</sup> Tuesday of the month at 7.30 p.m. in Concord. Kirk could only do it during a school holiday
5. Update on the Cactus and Succulent Society Inc's request for an AUSCPS speaker. This society meets on the 1<sup>st</sup> Friday of the month at 7.30 p.m. (doors open from 6.30 p.m.) in the Eden Garden Centre, Macquarie Park; Kirk could only do it during school holiday
6. Update on the Royal Easter Show CP display, 2<sup>nd</sup> April, 2018.
  - Wesley Fairhall agreed to present Championship trophy at 2.00 p.m. on 2<sup>nd</sup>, April, 2018;
  - The following volunteers have agreed to man the Society's display:
  - Robert and Kirk doing Easter Monday the 2<sup>nd</sup> of April, 1 pm to 5 pm, and Kirk doing the talk at 4:00 pm
  - Dave on Tuesday Morning, Ian Woolfe and Jeremy Aitkins on Tuesday 1 to 5 afternoon. Laurie Dauffer attending Monday 9 am to 11 am and Hassan from 9am to 1 pm on Monday.

Proposed roster for volunteers for the Royal Easter Show CP display, 2<sup>nd</sup> April 2018.

Time slot	Easter Monday 2 <sup>nd</sup> April		Tuesday 3 <sup>rd</sup> April	
9.00 – 13.00	Hassan		Ian Woolfe	Jeremy Aitken
13.00 – 17.00	Kirk Hirsch	Robert Gibson	David Colbourn	
Speaker Slot 16.00 – 16.30	Kirk Hirsch			

**Action item:** We'll need to get a roster for those who are attending on the Saturday and/or the Sunday of the 7<sup>th</sup> and 8<sup>th</sup> of April at the Collectors Plant Fair.

## CORRESPONDENCE

In-coming	Out-going
International CP Newsletter	Journals
S. Bartholemew donated Nepenthes seeds for seed bank	
Post box renewal	

## TREASURER'S REPORT

Current account balance: \$4023  
Paid members = 59

## GENERAL BUSINESS

1. Any further discussion required in relation to the Society's participation in the Royal Easter Show;
2. Feedback regarding the ACPS's involvement in the **Hawkesbury Herpetological Society** show held on **Sunday 4<sup>th</sup> March** at the Panthers Pavilion in Penrith; It went well. We were shy of the cost of the stall in our total commission take, \$174.50.
3. Update on raffle tickets sale in relation to Allen Lowrie's *Magnum Opus; None at the Easter Show*
4. Koi Carp show: Fairfield Showground Sunday 20<sup>th</sup> May, 2018 9.00 a.m. – 4.00 p.m. Volunteers?
5. Clarendon is a week after the Royal Easter Show, the 7<sup>th</sup> and the 8<sup>th</sup>.

## PRESENTATION/ EVENT

Laurie Dorfer gave a talk on the criteria for judging plants at the Royal Easter Show display. Much of the criteria can be subjective. Disqualifying points are: only one plant per pot, no multiple species in the pot. The plant may have multiple growing points, but only one species can be judged at a time. The pots must be clean, aka no water marks nor any kind of covering of hessian or other material around the pot. Plants need to be at their best, aka not leggy, no damage over the leaves, no damage to any flower scapes, etc....

Plant hygiene to be taken into consideration, aka. Upright Sarracenia, no lopsided plants, fairly symmetrical, stakes are allowed if they're not too obvious.

**PLANT OF THE MONTH: *Utricularia*, *Aldrovanda* and *Genlisea*.**

The following plants were brought in for the 'Plant of the Month Competition;

1. *Genlisea hispidula*
2. *Utricularia biloba*
3. *U. lateriflora*
4. *U. reniformis*

The winner was:  
*Utricularia reniformis*,  
grown by Ken Phang.

The meeting closed at 9:30 p.m. and members adjourned for supper provided by Marina Chong.

The next meeting to be held at Burwood Community Centre on Friday 13<sup>th</sup> April, 2018 starting at 7.30 p.m.

# **CANBERRA MEETING MINUTES**

## **MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, 2ND FEBRUARY 2018, BELCONNEN COMMUNITY THEATRE, BELCONNEN, ACT**

The meeting opened at 7.30 pm

### **PRESENT**

There were 16 members and visitors in attendance.

### **APOLOGIES**

Narciss Muller

### **GENERAL BUSINESS**

The meeting began with a welcome to our two new members, Peter Hay and Kirra Lynam. There was some discussion regarding use of the BCC beyond May 2018. Barry Bradshaw (BB) will approach the Belconnen Community Centre to see if a cheaper price can be negotiated to continue using the venue after May 2018. Members are encouraged in the meantime to approach local clubs and community centres to see if a suitable cheaper venue may be available. BB noted that the Downer Community Centre has a suitable and cheaper room but is currently booked out on Friday nights.

Paul Tyerman (PT) notified members that the Canberra Horticultural Society was holding an Autumn Show this weekend that included a carnivorous plant class with no entries. Although the members were unable to put entries together for the Autumn Show, it may be possible to use the Spring Shows in September, October and November to promote carnivorous plants to the local community. Owen O'Neill noted though that the Spring show dates will be too early to display most *Sarracenia* species in full bloom. BB & PT will correspond with the Horticultural Society president to plan for future opportunities to display carnivorous plants.

BB provided a brief summary of money collected to date, which includes:

\$22 in gold coin donations from the February meeting;

\$30 book sale (Rice);

\$5 in raffle ticket sales;

\$35 membership renewal at meeting

The money was handed over to the branch treasurer (Robert Little - RL) to manage, with the book sale, raffle ticket and membership renewal monies to be deposited in the AUS CPS account, and the gold coin donations to be put aside for funding future meeting expenses.

BB noted to members that copies of Barry Rice's book ('Growing Carnivorous Plants') can be purchased for \$30 from AUS CPS and will email members to see if anyone would like to purchase copies.

Members discussed possible themes to discuss in future meetings. Some options include: Growing carnivorous plants indoors under artificial lights and in terrariums (theme for April 6th meeting) – Christian Fricker has volunteered to lead this discussion;

Cultivation and propagation of Australian sundews focussing on pygmy sundews (theme for May 4th meeting);

Propagating *Sarracenia* from subdivisions and seeds (theme for winter meeting – date to be finalised).

Members also discussed the need to ensure there is a forum at each meeting to allow questions and answers on general carnivorous plant maintenance and health. It was agreed that about 15 minutes from each meeting be allocated to a 'Dr Plant' session.

John Nielsen provided a presentation titled 'Mosquitoes: their ecology & control for carnivorous plant growers'. John is an entomologist working for the Department of Agriculture and Water Resources on biosecurity issues. John's talk provided members with valuable information on: identifying mosquitoes, particular species in the Canberra region; understanding how growing carnivorous plants in water trays provides several common mosquito species with ideal breeding conditions; understanding that most carnivorous plant species don't specifically lure mosquitoes and are therefore ineffective at managing them; and providing some effective options for managing mosquitoes. A copy of the presentation will be emailed to members.

RL provided a presentation on his previous trip to observe *Darlingtonia californica* growing in their natural environment on the *Darlingtonia* State Botanical Wayside, Oregon (USA), and his recent trip to the Kew Gardens, London (UK). RL then led a discussion with members on cultivation and propagation of *Darlingtonia californica*. Chris Duffy finished the discussion by kindly providing members with *Darlingtonia californica* seeds and initiating a friendly competition to see whose propagation technique would produce the best seedlings by year's end.

### PLANT OF THE MONTH

Members brought in a wide range of plants for sale and for display. The following plants were brought in for the 'Plant of the Month' Competition:

*Sarracenia psittacina* 'Giant' – grown by Robert Little

*Darlingtonia californica* – grown by Barry Bradshaw

*Sarracenia pupurea* ssp. *venosa* – grown by Barry Bradshaw

*Darlingtonia californica* – grown by Chris Duffy

*Drosera graomogolenis* – grown by Christian Fricker

*Drosera palacea* ssp. *rosea* – grown by Christian Fricker

*Drosera intermedia* 'Mount Roraima' variety – grown by Bastien Small

*Drosera slackii* – grown by Bastien Small

The winner was *Darlingtonia californica* – grown by Chris Duffy (pictured right).

The meeting closed at 10.15 pm. The next meeting will be held at the Belconnen Community Centre on Friday April 6th at 7.30pm.

## **BRISBANE MEETING MINUTES**

**MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.  
HELD ON WEDNESDAY, 7TH MARCH 2018,  
KENMORE LIBRARY, KENMORE, QUEENSLAND**

Minutes not submitted.

## **IN THE GREENHOUSE**

### **ALDROVANDA**

Plants remain in active growth and divide rapidly. Keep algae under control.

### **BROCCHINIA / CATOPSIS**

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

### **BYBLIS**

*Byblis gigantea* and *lamellata* are naturally dormant over summer and autumn but may be kept in growth with constant soil moisture. Keep the soil moist to wet. Flowering ends. Harvest seed. Treat seed with Ga3 or smoke water and sow in early autumn.

The northern annual species of *Byblis* are in active growth. Growth rates will be higher in hot and humid conditions. Cross pollinate the flowers to ensure seed set.

Growth rates for all species of *Byblis* may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

### **CEPHALOTUS**

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants.

### **DARLINGTONIA**

*Darlingtonia* will be in active growth. Stolons will begin growing under the substrate. Watch out for hot days. Place your plants in more shade or consider bringing them indoors during hot weather. Night temperatures are high so it is imperative that the roots are kept cool.

### **DIONAEA**

All VFTs should be in active growth. Keep well watered. Plants may be divided and repotted.

### **DROSERA**

Tuberous *Drosera* begin to break dormancy. Keep the pots barely moist until the stolon emerges above the surface of the soil. Treat seed with Ga3 or smoke water and sow in early autumn.

Pygmy *Drosera* break their dormancy in autumn. Increase watering.

Other Winter growing species such as *D. cistiflora* and *pauciflora* begin to break dormancy soon. Increase watering when growth begins. Treat seed with Ga3 or smoke water and sow in early autumn.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist. Collect seed and sow onto a peat based media.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* may become dormant and form a winter hibernacula.

## **DROSOPHYLLUM**

*Drosophyllum* will be in active growth. Growth rates increase with increased prey capture. Seed may be sown now. Scarify the hard seed coat or pour boiling water over the seed for a few seconds and then soak in water for 24 hours before sowing.

## **GENLISEA**

*Genlisea* should be in flower and active growth. Keep the water levels high with these species.

## **HELIAMPHORA**

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

## **NEPENTHES**

Autumn is a good time for *Nepenthes*. Aim to keep the lowland plants warm to hot and in high humidity. Highland species will enjoy the cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

## **PINGUICULA**

Mexican species/hybrids are in active growth. Keep the soil moist and humidity high.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

## **RORIDULA**

*Roridula* is in active growth. Flowering ends. Harvest any seed and sow in autumn. Keep the soil moist and place in a very bright and airy situation with low humidity.

## **SARRACENIA**

All *Sarracenia* species/hybrids are in active growth. Keep well watered and in full sun. *S. flava* and *S. oreophila* will produce non-carnivorous phyllodia. *S. leucophylla* and *S. rubra* will produce larger and more upright pitchers. They look their best in autumn.

## **UTRICULARIA**

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* are in active growth. Keep algae under control.

Winter growing species, such as *U. multifida* and *U. menziesii* are still dormant. Keep the soil barely moist.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

## MERCHANDISE

### SEED BANK

There currently is a good range of seed available in the Seed Bank. Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Officer is Ian Woolf. Email: [iwoolf@gmail.com](mailto:iwoolf@gmail.com). The seed bank list is contained at the end of this newsletter.

### CONTACT CARDS

The Society now produces a business sized card with all of our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

### T-SHIRTS

T-shirts printed with our logo printed on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at [davecolbourn@gmail.com](mailto:davecolbourn@gmail.com).

### SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc, that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Ian Woolf on [iwoolf@gmail.com](mailto:iwoolf@gmail.com)

Field Guide to the  
Carnivorous Plants  
of Sydney and the  
Blue Mountains

**COMING SOON**

AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC

*Sphagnum* peat moss - \$5.  
Available at meetings and events.

Mexican *Pinguicula* mix - \$5.  
Available at meetings and events.

*Nepenthes* mix - \$5.  
Available at meetings and events.

*Sarracenia* mix - \$5.  
Available at meetings and events.

## SPONSORS

Sponsorship of *Carniflora Australis* and *Carniflora News* is welcome. \$40 will get you a business card sized ad included in two *Carniflora Australis* journals; and 12 x *Carniflora News* issues. Contact the Secretary at [auscps@gmail.com](mailto:auscps@gmail.com) for further details.

## MEMBERSHIP FORM

The society is a non-profit organisation formed in December 2002 to promote the cultivation, conservation and knowledge about carnivorous plants. The Society had been the New South Wales Carnivorous Plant Society Inc. before then, which was established in 1986, ongoing for 30 years.

Yearly membership entitles you to:

- 1) Two editions of ***Carniflora Australis***, our high quality 1/2 yearly journal.
- 2) Ability to sell plants at official plants stalls
- 3) Emailing out our monthly e-newsletters directly to your email address
- 4) Access to our seed bank, to monthly meetings at Burwood, NSW, to specialty plants for sale brought in by members, to a light supper of refreshments after each meeting, and to notices of talks/speakers at the monthly meeting.

### **MONEY ORDER OR CHEQUE**

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary  
Australasian Carnivorous Plant Society Inc.  
PO Box 70  
Burwood, NSW 1805  
AUSTRALIA

### **DIRECT DEPOSIT**

Banking details are below. Please add your email address and name as payment reference. Alternatively, email the Membership Secretary at [auscps@gmail.com](mailto:auscps@gmail.com) to advise of your payment and attach a scan or a digitally entered, completed form listed below.

Acc. Name: Australasian Carnivorous Plant Society Inc.

Acc. BSB: 112879

Acc. Number: 195074412

Ref: We must have at least your email address if requesting journal delivery via email, Or your postal address if requesting journal delivery by post. Full details are always appreciated.

### **PAYPAL**

Use the "Send Money" tab to make your payment. Use the current PayPal email address "auscps@gmail.com". Set your fee (depending upon membership options below). You will receive an automatic receipt from PayPal. We must have included with the payment in the notes tab: your name, email address and phone number OR postal address if requesting postal journal delivery. Full details are always appreciated.
