

**50th Edition**

THE AUSTRALASIAN CARNIVOROUS PLANTS SOCIETY INC.

# CARNIFLORA NEWS

A.B.N. 65 467 893 226

May 2018

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. that documents the meetings, news and events of the Society.

The current committee of the Australasian Carnivorous Plant Society Inc. comprises:

**President** - Wesley Fairhall

**Vice President** – David Colbourn

**Treasurer** – Kirk 'Fuzzy' Hirsch

**Secretary** - Kirk 'Fuzzy' Hirsch

**Journal Editor** - Dr. Robert Gibson

**Public Officer** - Wesley Fairhall

**Publicity Officer** – Kirk 'Fuzzy' Hirsch

**Website Manager** – Marina Chong

**Newsletter Editor** - David Colbourn

**Merchandise Manager** – David Colbourn

**Social Media Coordinator** – Glen Moss

**Brisbane Coordinator** – Alan Haase

**Brisbane Coordinator** - Brent Jones

**Canberra Coordinator** - Barry Bradshaw

**Canberra Coordinator** - Christian Fricker

**Events Coordinator** - Jeremy Aitken

**Seed Bank Manager** - Ian Woolf

# **CALENDAR**

## **MAY**

2nd May 2018 - AUSCPS meeting - Brisbane  
4th May 2018 - AUSCPS meeting - Canberra; featuring tuberous & pygmy *Drosera*  
11th May 2018 - AUSCPS meeting - Sydney; featuring *Cephalotus* and *Heliophora*  
20th May 2018 - KOI PET & GARDEN SHOW - Fairfield Showground

## **JUNE**

6th June 2018 - AUSCPS meeting - Brisbane  
8th June 2018 - AUSCPS meeting - Sydney; featuring Carnivorous Bromeliads

## **JULY**

4th July 2018 - AUSCPS meeting - Brisbane  
13th July 2018 - AUSCPS meeting - Sydney; AGM featuring Winter growing *Drosera*

## **AUGUST**

1st August 2018 - AUSCPS meeting - Brisbane  
3-5th August 2018 - 12th International Carnivorous Plant Society Conference - California  
10th August 2018 - AUSCPS meeting - Sydney; featuring *Pinguicula*

## **SEPTEMBER**

5th September 2018 - AUSCPS meeting - Brisbane  
14th September 2018 - AUSCPS meeting - Sydney; featuring *Nepenthes*  
22-23rd September 2018 - Kariong Plant Lovers' Fair

## **OCTOBER**

3rd October 2018 - AUSCPS meeting - Brisbane  
12th October 2018 - AUSCPS meeting - Sydney; featuring Summer growing *Drosera*

## **NOVEMBER**

7th November 2018 - AUSCPS meeting - Brisbane  
9th November 2018 - AUSCPS meeting - Sydney; featuring *Sarracenia* and *Darlingtonia*  
Triffid Park open day (TBA)

## **DECEMBER**

5th December 2018 - AUSCPS meeting - Brisbane  
TBA - VCPS annual show, Collector's Corner, Melbourne  
TBA - Plants with Bite - The Blue Mountains Botanic Gardens - Mt Tomah

## **JANUARY**

2nd January 2019 - AUSCPS meeting - Brisbane  
4th January 2019 - AUSCPS meeting - Canberra  
11th January 2019 - AUSCPS meeting - Sydney; featuring *Dionaea* (VFT) - Raffle Draw

## **FEBRUARY**

1st February 2019 - AUSCPS meeting - Canberra  
6th February 2019 - AUSCPS meeting - Brisbane  
8th February 2019 - AUSCPS meeting - Sydney; featuring *Byblis*, *Drosophyllum* and *Roridula*.

## **MARCH**

1st March 2019 - AUSCPS meeting - Canberra  
6th March 2019 - AUSCPS meeting - Brisbane  
8th March 2019 - AUSCPS meeting - Sydney; featuring *Utricularia*, *Aldrovanda* and *Genlisea*.

## **APRIL**

3rd April 2019 - AUSCPS meeting - Brisbane  
5th April 2019 - AUSCPS meeting - Canberra  
TBA April 2019 - Collectors' Plant Fair, Clarendon, N.S.W.  
12th April 2019 - AUSCPS meeting - Sydney; featuring *Nepenthes*  
21-22nd April 2019 - Royal Easter Show - Carnivorous Plant Competition

## **NEWS**

### **NOMINATIONS FOR THE 2018/19 EXECUTIVE AND COMMITTEE**

Our A.G.M. will be held at the Sydney meeting on the 13th of July. One of the objectives at this meeting is to elect the executive (President, Vice-President, Secretary and Treasurer) and one additional Committee member. We are now a national Society, and as such, members from across Australia are eligible to occupy a position. A description of each executive position was detailed in the April newsletter. Now it is time to put your name forward using a self-nomination system.

Please send an email to [auscps@gmail.com](mailto:auscps@gmail.com) nominating yourself for one of the positions and provide a short background about yourself and any skills you have that may assist you in that role. You must be a current financial member of the Society to be on the committee. Nominations must be received by 31/5/2018. A list of nominees will be published in the June edition of the newsletter along with a proxy voting form for those who wish to vote but cannot make the A.G.M. Please consider this opportunity to be more involved with the Society and have a say in our future.

### **BRISBANE MEETINGS**

The Brisbane chapter of the AUSCPS is now meeting on the first Wednesday of each month to accommodate the needs and wishes of our members. The meetings are still held at 7pm in the Library of the Kenmore Village Shopping Centre, 8 Brookfield Road in Kenmore.

### **CANBERRA MEETINGS**

The AUSCPS is now holding meetings in Canberra to meet the needs of members in Canberra and surrounding districts. Meetings will be held at 7:30pm on the first Friday of each month at the Belconnen Community Theatre on Swanson Street in Belconnen. Call Barry on 0417219477 for access to the building after 7:30pm.

### **YOUTUBE CHANNEL**

The Australasian Carnivorous Plants Society Inc. now has a Youtube channel. Just visit <https://www.youtube.com/channel/UCAsb6QWTKxgbwaPvhUtOyLA/videos>

## ABC ARTICLE ON CARNIVOROUS PLANTS

The ABC has published an article titled *Flora fatale: The carnivorous plant that scared Charles Darwin*. The article promotes Carnivorous Plants in Australia and features a brief background on Greg Bourke. The article may be found by visiting the below web link:

<http://www.abc.net.au/news/science/2018-04-01/carnivorous-plants-drosera-insect-killers/9596170>

## KOI PET & GARDEN SHOW

The AUSCPS will be at the KOI PET & GARDEN SHOW on the 20th May 2018 at the Fairfield Showground. The show starts at 9am, entry is free.

## FUND RAISING RAFFLE

Allen Lowrie has kindly donated to the Society his Magnum Opus, a three volume set of books about the Carnivorous Plants of Australia. The raffle will run throughout the year and be drawn at the Sydney meeting in January 2019. The books will be posted direct to the winner, worldwide. Tickets are \$2 each or 3 for \$5. Tickets may be purchased at the Brisbane, Canberra or Sydney meetings, at various fairs and events attended by the Society, or via Paypal on Facebook. The funds raised will help the Society promote Carnivorous Plants in Australia via our Field Guide and other initiatives we have planned.

## FACEBOOK MILESTONE

During April, The AUSCPS Facebook page achieved the milestone of 2000 "Likes" (followers). Thank you to all of our followers and to Glen Moss, our Facebook manager, for achieving this milestone.

## THE SAVAGE GARDEN

The Society has agreed to purchase copies of the second edition of *The Savage Garden* for members and friends to purchase. *The Savage Garden*, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at [auscps@gmail.com](mailto:auscps@gmail.com) to order.

## COLLECTORS' PLANT FAIR

The Collectors' Plant Fair was held on the weekend of the 7-8th April 2018 at the Hawkesbury Race Club, Clarendon NSW. The stall generated significant interest and generated over \$1500 in sales commissions for the Society. Thank you to those who volunteered their time to man the stall.

# **SYDNEY MEETING MINUTES**

## **MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, 13<sup>TH</sup> APRIL 2018 WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD**

The meeting opened at 7.49 p.m.

### **PRESENT**

There were 16 members in attendance.

### **APOLOGIES**

Joan Fairhall, Jeremy Aitken and Glen Carson

### **New members:**

Welcome Belinda and Shane

### **MINUTES OF PREVIOUS MEETING**

The minutes of the March 2018 meeting were tabled, and have also been provided in the current newsletter. Those present were asked to confirm the accuracy of the minutes and to suggest changes, omissions or corrections. In the absence of any corrections, omissions or corrections a motion was raised that the minutes be accepted.

### **BUSINESS ARISING**

1. **Royal Easter Show** carnivorous plant competition was held on 2<sup>nd</sup> – 3<sup>rd</sup> April 2018.

There were 39 entrants in the 8 categories:

- a. CLASS 601 *Dionaea* (Venus Fly Trap) in a pot ≤ 200 mm diameter,
- b. CLASS 602 *Drosera* (single species) in a pot ≤ 200 mm diameter,
- c. CLASS 603 *Nepenthes* (single species) in a pot ≤ 350 mm diameter,
- d. CLASS 604 *Nepenthes* (single hybrid) in a pot ≤ 350 mm diameter,
- e. CLASS 605 *Sarracenia* (single species) in a pot ≤ 200 mm diameter,
- f. CLASS 606 *Sarracenia* (single hybrid) in a pot ≤ 200 mm diameter,
- g. CLASS 607 Australian Native carnivorous plant (single species) in a pot ≤ 200 mm diameter,
- h. CLASS 608 Carnivorous plant, other (single species) in a pot ≤ 200 mm diameter,
- i. S6080 CHAMPION CARNIVOROUS PLANT

<b>CLASS</b>	<b>FIRST</b>	<b>SECOND</b>	<b>THIRD</b>
601	Plant grown by O. O'Neill	Plant grown by O. O'Neill	Plant grown by O. O'Neill
602	<i>D. hamiltonii</i> grown by D. Colbourn	<i>D. adaelae</i> grown by O. O'Neill	<i>D. spatulata</i> grown by D. Colbourn
603	<i>Nepenthes sanguinea</i> by G. Stewart	No entry	No entry
604	<i>N. ampullaria</i> hybrid by D. Colbourn	<i>N. alata</i> x <i>truncata</i> by D. Coulburn	<i>N. maxima</i> hybrid by G. Stewart

605	<i>S. rubra</i> subsp. <i>alabamensis</i> by O. O'Neill	<i>S. leucophylla</i> hybrid by O. O'Neill	<i>S. purpurea</i> subsp. <i>purpurea</i> by O. O'Neill
606	<i>S. leucophylla</i> hybrid by O. O'Neill	<i>S. leucophylla</i> hybrid by D. Coulburn	<i>S. leucophylla</i> hybrid by D. Coulburn
607	<i>Cephalotus</i> grown by D. Colbourn	<i>Byblis filifolia</i> grown by D. Colbourn	<i>D. burmannii</i> grown by D. Colbourn
608	<i>Utricularia sandersonii</i> grown by D. Colbourn	<i>Heliamphora minor</i> x <i>heterophylla</i> grown by D. Colbourn	<i>Heliamphora</i> grown by D. Colbourn
S6080	<i>Cephalotus follicularis</i> grown by D Colbourn		

Thanks to Hasan, Ian, Laurie, Jeremy, Wesley, Fuzzy, Dave and Robert for being at the stand to answer questions from members of the public. Thanks also to Fuzzy for giving a presentation on the Monday afternoon. Thanks also to those who entered plants.

Next year it would help if there were business cards available to hand out to interested members of the public.

In relation to judging, Laurie Dorfer was the judge along with Two stewards, provided by the Royal Agricultural Society and Wesley was an Observer.

Suggestion for next year – you are strongly encouraged to submit plants for next year's competition.

- The Society had a stall at the **Collectors' Plant Fair at Clarendon** on April 7<sup>th</sup> and 8<sup>th</sup>. Plants were provided by David, Philippe, Lyn and Gordon, Glen, Marina, Ron and Marie, and Rob and Fuzzy. Plants for sale included *Cephalotus*, *Darlingtonia*, *Dionaea*, *Drosera*, *Genlisea*, *Heliamphora*, *Nepenthes*, *Pinguicula*, *Sarracenia*, and *Utricularia*. There was much interest from members of the public. Most plants (85%) brought in were sold, particularly on the first day.

Thanks to David, Glen, Marina, Ron, Marie, Sean, Wesley, Gordon, Lyn, Sean, Rob and Fuzzy for time at the stall.

The display received much positive attention.

Suggestion that bags of potting mix and aquatic *Utricularia* also have an inserted tag, or perhaps a stapled paper tag per bag on them. Perhaps rearrange the tables so they are more accessible and have two cash boxes, or perhaps a split kitty so two people can be handling cash at the same time.

- Update on **raffle ticket sales** for Allen Lowrie's *Magnum Opus*. \$90 raised so far, including some sales from overseas.
- Update on **AUSCPS meeting in Canberra**. 13 members at the last meeting. They are going well with many keen members to give presentations. They are looking for a new venue for future meetings.
- Update on The **Field guide to Carnivorous Plants in the Sydney Region** – work in progress.
- The **Koi Pet & Garden Show** will be held on Sunday, 20<sup>th</sup> May at the Fairfield Showground, from 9 am to 4 pm. Marina, Ron & Marie, Wesley and Fuzzy will be there. We encourage people to attend
- Brent Jones features in an episode on **Brain Buzz** on carnivorous plant. It will be shown on NineNow, Channel Nine, in Brisbane from 8 am on **Thursday 19<sup>th</sup> April** – but will be visible nationwide. Thanks Brent.
- March 2019 journal to be posted out shortly

## CORRESPONDENCE

In-coming	Out-going
Australia Post has sent the AusCPS an invoice for \$132 for the renewal of the Kingsway West PO Box (by 31 March 2018).	Printed copies of the April 2018 <i>Carniflora News</i> were posted to Richard Sullivan and Steve Clemesha.
Japanese Carnivorous Plant Society Journal 24(1) – March (2018)	
Burwood PO Box reminder notice	
New membership received	

## TREASURER'S REPORT

Current account balance: \$4,023

Paid members = 65

## GENERAL BUSINESS

1. A committee meeting was held before this general meeting tonight to discuss five issues: (1) the term limits to members of the Executive under the constitution; (2) whether and how to consider votes at the forthcoming AGM by Interstate or overseas members; (3) the option of filling Executive positions by interstate or overseas members; (4) options for an up-to-date membership list; and (5) interest in a good book on the cultivation of carnivorous plants, and the option to purchase 'The Savage Garden' by Peter D'Amato.

Changes to the constitution will be proposed in relation to how non Sydney-based members can nominate for positions on the Executive, and also how they can vote at the AGM. More details will be provided in forthcoming newsletters.

Changes to the constitution are proposed in relation to the new chapters, and also how to consider electronic media and means of communication.

The Society proposes buying a box of 'The Savage Garden', by Peter D'Amato, and offer books for about \$30, particularly to new members. It is one of the most informative guide for growing carnivorous plants.

## PLANT OF THE MONTH: *Nepenthes*

The following plants were brought in for the 'Plant of the Month Competition;

1. *N* 'Viking' x *ampullaria* 'red' (0)
2. *N rowanae* x *ampullaria* (1)
3. *N* x *rokko* x *spectabilis*
4. *N. lowii* x *truncata* (pictured below) (3)
5. *N. truncata* x [(*lowii* x *veitchii* - yellow) x *campanulata*] (4) [9]
6. *N. veitchii* (4) [7]
7. *N. ventricosa* x *sibuyanensis* (0)
8. *N. truncata* x *ovata* (0)
9. *N. truncata* x *veitchii* (3)

The winner was: *N. truncata* x [(*lowii* x *veitchii* - yellow) x *campanulata*], grown by Brett Daly. This plants is grown under shade cloth, misted periodically and sprayed with Seasol occasionally.

The meeting closed at 8.45 p.m. and members adjourned for supper provided by Marina Chong. The next meeting to be held at Burwood Community Centre on Friday 11<sup>th</sup> May, 2018 starting at 7.30 p.m. Plants of the month are *Cephalotus* and *Heliamphora*.

# **CANBERRA MEETING MINUTES**

## **MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, 6TH APRIL 2018, BELCONNEN COMMUNITY THEATRE, BELCONNEN, ACT**

The meeting opened at 7.30 pm

### **PRESENT**

There were 11 members in attendance.

### **APOLOGIES**

Ross Rowe, Gareth Williams and Peter Hay

### **GENERAL BUSINESS**

1. The meeting began with a welcome to our new members, Denise Palmer and Scott Larcombe.
2. The Downer Community Centre now has a suitable room available on Friday night which is larger (seats 50) and cheaper (\$20 for a 2 hour meeting). Barry Bradshaw (BB) has contacted the centre to confirm the room's availability. Members are keen to use the centre and use gold coin donations to pay for the room hire.
3. BB let members know that the Society is looking into making a bulk order for copies of 'The Savage Garden' to sell at a discounted price for AUSCPS members. BB will email Canberra and Goulburn members to find out how many members are interested in purchasing copies.
4. Owen O'Neill brought in 3 of his prize winning plants from the Royal Easter Show Carnivorous Plant Competition for display. He encouraged members to enter plants in future competitions to ensure that the Carnivorous Plant category continues at the show.
5. There was an open discussion amongst members on growing carnivorous plants indoors and using lights for cultivating carnivorous plants. Chris Duffy brought in some LED strip lights and explained how he uses these to supplement the lighting for plants grown under shelves in his greenhouse. Chris has emailed some web links to members who may be interested in purchasing LED lights and transformers.
6. Money collected at the meeting included \$13.60 in gold coin donations, and a \$25 membership payment.
7. The theme for the next meeting will be tuberous and pygmy *Drosera*.

### **PLANT OF THE MONTH**

Members bought in a wide range of plants for sale and for display. The following plants were bought in for the 'Plant of the Month' Competition:

1. *Drosera binata* var. *multifida* f. *extrema* – grown by Robert Little
2. *Sarracenia rubra* sub-species *alabamensis*– grown by Owen O'Neill
3. *Sarracenia formosa* x *leucophylla* – grown by Owen O'Neill
4. *Dionaea muscipula* – grown by Owen O'Neill

5. *Heliamphora tatei* - grown by Chris Duffy

6. *Drosera adelae* – grown by Barry Bradshaw

The winner was *Drosera adelae* – grown by Barry Bradshaw.

The meeting closed at 10.00 pm. The next meeting will be held at the Belconnen Community Centre on Friday May 4<sup>th</sup> at 7.30pm.

# **BRISBANE MEETING MINUTES**

## **MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON WEDNESDAY, 4TH APRIL 2018, KENMORE LIBRARY, KENMORE, QUEENSLAND**

The meeting opened at 7:00pm

### **PRESENT**

There were 4 members in attendance. Alan Haase, James, Robyn, Brent Jones.

### **APOLOGIES**

There were 6 members who could not make it.

### **BUSINESS ARISING**

1. Creation of Facebook Group for Brisbane Chapter to help organise and coordinate meetings, field trips, and local events.
2. Possibility of using video conferencing for members who cannot make the drive but still want to participate.
3. Increase participation through
  - a. Local Advertising
  - b. Put flyers out at local nurseries (to do)
  - c. Create leaflet for Brisbane meeting
  - d.

### **PRESENTATION**

1. Brent Jones (pictured right) – Shared photos of his trip to Tasmania to visit Spot Cullen and his collection.
2. February meeting showed *Cephalotus*, Allen Lowrie's *Magnum Opus*, Carnivorous Plants of Australia, Volumes 1-3 and a special showing of a second print of Charles Darwin's *Insectivorous Plants*.

### **OTHER**

- Brought in *Darlingtonia* and *Drosophyllum* seed pods from visit to Spot and from his *Sarracenia* hybridising efforts to show and break open to harvest.
- *Darlingtonia* seed will be sent on for deposit to the seed bank.
- Also some beautiful specimens of *Darlingtonia* and *S. leucophylla*, including some "Schnell's Ghost" was brought in by Brent for display.

## **IN THE GREENHOUSE**

### **ALDROVANDA**

Plants will enter dormancy soon and survive winter as floating turions in cold climates.

### **BROCCHINIA / CATOPSIS**

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

### **BYBLIS**

*Byblis gigantea* and *lamellata* are now in active growth. Keep the soil moist to wet. Treat seed with Ga3 or smoke water and sow in early autumn.

The northern annual species of *Byblis* will soon finish their life cycle. Harvest seed.

Growth rates for all species of *Byblis* may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

### **CEPHALOTUS**

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Leaf production will soon replace trap production.

### **DARLINGTONIA**

*Darlingtonia* will soon enter dormancy. Keep the plants cold to prolong the dormancy.

### **DIONAEA**

All VFTs should be in active growth. Keep well watered.

### **DROSERA**

Tuberous *Drosera* begin to break dormancy. Increase watering and expose to bright or direct light. Treat seed with Ga3 or smoke water and sow in early autumn.

Pygmy *Drosera* begin to produce gemmae. Harvest and place the gemmae on a peat:sand mix (1:1). Mist spray until the tap root forms.

Other Winter growing species such as *D. cistiflora* and *pauciflora* commence growth. Treat seed with Ga3 or smoke water and sow in early autumn.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist. and keep the plants warm. Collect seed and sow onto a peat based media.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* enter dormancy and form a winter hibernacula.

### **DROSOPHYLLUM**

*Drosophyllum* will be in active growth. Growth rates increase with increased prey capture and the cooler weather. Seed may be sown now. Scarify the hard seed coat or pour boiling water over the seed for a few seconds and then soak in water for 24 hours before sowing.

## **GENLISEA**

*Genlisea* should be in flower and active growth. Keep warm and the water levels high.

## **HELIAMPHORA**

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

## **NEPENTHES**

Autumn is a good time for *Nepenthes*. Aim to keep the lowland plants warm to hot and in high humidity. Highland species will enjoy the cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

## **PINGUICULA**

Mexican species/hybrids begin to enter dormancy and produce small succulent rosettes. Reduce watering and humidity.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

## **RORIDULA**

*Roridula* is in active growth. Flowering ends. Harvest any seed and sow in autumn. Keep the soil moist and place in a very bright and airy situation with low humidity.

## **SARRACENIA**

*Sarracenia* will soon enter dormancy. Leave the old trap on the plant. Keep moist.

## **UTRICULARIA**

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* are in active growth. Keep algae under control.

Winter growing species, such as *U. multifida* and *U. menziesii* resume growth. Keep moist to wet.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

## MERCHANDISE

### SEED BANK

There currently is a good range of seed available in the Seed Bank. Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Officer is Ian Woolf. Email: [iwoolf@gmail.com](mailto:iwoolf@gmail.com). The seed bank list is contained at the end of this newsletter.

### SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc, that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Ian Woolf on [iwoolf@gmail.com](mailto:iwoolf@gmail.com)

### T-SHIRTS

T-shirts printed with our logo printed on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at [auscps@gmail.com](mailto:auscps@gmail.com).

### CONTACT CARDS

The Society now produces a business sized card with all of our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

## FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

The Society is currently developing a field guide for the Carnivorous Plants of the Sydney and Blue Mountains region. The booklet details all 19 species in the area and will be about 44 pages long. The booklet will feature a detailed map with specific details on where to find the best population of each species. The price of the book has not yet been determined but is expected to be less than \$25.

## THE SAVAGE GARDEN

The Society is now selling copies of the second edition of The Savage Garden for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at [auscps@gmail.com](mailto:auscps@gmail.com) to order.

## POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality Sphagnum Peat Moss, Mexican Pinguicula, Nepenthes and Sarracenia mixes. Each bag is \$5 and may be purchased from meetings or events.

## SPONSORS

Sponsorship of *Carniflora Australis* and *Carniflora News* is welcome. \$40 will get you a business card sized ad included in two *Carniflora Australis* journals; and 12 x *Carniflora News* issues. Contact the Secretary at [auscps@gmail.com](mailto:auscps@gmail.com) for further details.

## **MEMBERSHIP FORM**

The society is a non-profit organisation formed in December 2002 to promote the cultivation, conservation and knowledge about carnivorous plants. The Society had been the New South Wales Carnivorous Plant Society Inc. before then, which was established in 1986, ongoing for 30 years.

Yearly membership entitles you to:

- 1) Two editions of ***Carniflora Australis***, our high quality 1/2 yearly journal.
- 2) Ability to sell plants at official plants stalls
- 3) Emailing out our monthly e-newsletters directly to your email address
- 4) Access to our seed bank, to monthly meetings at Burwood, NSW, to specialty plants for sale brought in by members, to a light supper of refreshments after each meeting, and to notices of talks/speakers at the monthly meeting.

### **MONEY ORDER OR CHEQUE**

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:
