Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. that documents the meetings, news and events of the Society.

The current committee of the Australasian Carnivorous Plant Society Inc. comprises:

COMMITTEE

President - Wesley Fairhall
wesleyfairhall7@gmail.com

Vice President - Barry Bradshaw
barry.bradshaw1@bigpond.com

Treasurer - David Colbourn
davecolbourn@gmail.com

Secretary - Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Sean Polivnick
spolivnick@hotmail.com

DELEGATES

Journal Editor - Dr. Robert Gibson

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor - David Colbourn
davecolbourn@gmail.com

Sydney Coordinator - Kirk Hirsch
mijmark@ihug.com.au

Public Officer - Kirk Hirsch
mijmark@ihug.com.au

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Website Manager - Marina Chong

Brisbane Coordinator - Vacant

Social Media Coordinator - Glen Moss

Canberra Coordinator - Barry Bradshaw
barry.bradshaw1@bigpond.com

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Canberra Coordinator - Chris Duffy

Events Coordinator - Jeremy Aitken

Canberra Coordinator - Robert Little

Seed Bank Manager - Ian Woolf
iwoolf@gmail.com

Library Manager - Glenn Carson
glenncarson@iinet.net.au

CALENDAR

NOVEMBER

1st November 2019 - AUSCPS meeting - Canberra featuring *Sarracenia*
8th November 2019 - AUSCPS meeting - Sydney featuring *Sarracenia* and *Darlingtonia*
17th November 2019 - Old Bus Depot Markets - Canberra
24th November 2019 - Triffid Park open day
30th November 2019 - VCPS annual show, Collector's Corner, Melbourne

DECEMBER

1st December 2019 - VCPS annual show, Collector's Corner, Melbourne
6th December 2019 - AUSCPS meeting - Canberra - Christmas Party and Plant Show
13th December 2019 - AUSCPS meeting - Sydney

JANUARY

3rd January 2020 - AUSCPS meeting - Canberra

FEBRUARY

7th February 2020 - AUSCPS meeting - Canberra
14th February 2020 - AUSCPS meeting - Sydney featuring *Dionaea* (VFT)

MARCH

6th March 2020 - AUSCPS meeting - Canberra
13th March 2020 - AUSCPS meeting - Sydney featuring *Byblis*, *Drosophyllum* and *Roridula*

APRIL

3rd April 2020 - AUSCPS meeting - Canberra
10th April 2020 - AUSCPS meeting - Sydney featuring *Utricularia*, *Aldrovanda* and *Genlisea*
TBA - Collectors' Plant Fair, Clarendon, N.S.W.
13th April 2020 - Royal Easter Show - Carnivorous Plant Competition

MAY

1st May 2020 - AUSCPS meeting - Canberra
8th May 2020 - AUSCPS meeting - Sydney featuring *Cephalotus* and *Heliophora*

JUNE

5th June 2020 - AUSCPS meeting - Canberra
12th June 2020 - AUSCPS meeting - Sydney featuring Carnivorous bromeliads

JULY

3rd July 2020 - AUSCPS meeting - Canberra
10th July 2020 - AUSCPS meeting - Sydney (AGM) featuring Winter growing *Drosera*

AUGUST

7th August 2020 - AUSCPS meeting - Canberra
14th August 2020 - AUSCPS meeting - Sydney featuring *Pinguicula*

SEPTEMBER

4th September 2020 - AUSCPS meeting - Canberra featuring *Pinguicula* and *Utricularia*
11th September 2020 - AUSCPS meeting - Sydney featuring *Nepenthes*

OCTOBER

2nd October 2020 - AUSCPS meeting - Canberra featuring *Nepenthes*
9th October 2020 - AUSCPS meeting - Sydney featuring Summer growing *Drosera*

NEWS

MEMEBRSHIP REDUCTION

Due to our strong financial position, we are able to reduce the cost of membership to the Society. From 2020 membership (electronic) will now be \$20. Those wishing to receive the printed journal as part of their membership are still required to pay \$35 per year due to the cost of printing and postage. Those that have already paid their 2020 memberships (and beyond) will receive a refund via cash or cheque.

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is due now. Membership to the Society is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad. Membership entitles you to two editions of our journal, *Carniflora Australis*, 12 editions

JOIN NOW!

of our monthly newsletter, *Carniflora News*, subsidised seed from our seed bank, discounts on books and other merchandise, access to our free library and access to sell plants at fairs and events attended by the Society. A membership form is attached to this newsletter with instructions on how to make payment.

Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains

FIELD GUIDE

The Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains is nearing completion with feedback sought on the final draft. A sample was displayed at the Sydney and Canberra meetings. Publication is expected in time for Christmas. Stay tuned for more details about this release.

FUND RAISING RAFFLE

The AUSCPS is holding a new raffle for 2019. The prize is a copy of Redfern Natural History's limited edition *Cephalotus* - the Albany Pitcher Plant. Tickets are \$2 each or three for \$5. Sales will be available at our meetings or online via PayPal. Just use the payment instructions on our membership form and indicate the purchase is for raffle tickets. The raffle will be drawn at the Sydney meeting next February.

CARNIFLORA AUSTRALIS

The September edition of *Carniflora Australis*, our bi-yearly journal, is out now. If you haven't already received your printed copy or been sent an email on how to access the PDF copy, please contact Kirk at auscps@gmail.com. If you would like to contribute to the journal with articles, letters, photographs and drawings, please contact Dr. Robert Gibson at auscps@gmail.com or via our postal address. Contributions to the journal may be submitted on CD, DVD, pen drive or by email. Use Microsoft Word whenever possible.

OLD BUS DEPOT MARKETS

The AUSCPS will be holding a plant sales stall at the Old Bus Depot Markets in Canberra on the 17th November 2019. There will be a great assortment of plants for sale and plenty of information available for the novice growers. Volunteers are welcome. Please contact Barry at barry.bradshaw1@bigpond.com if you can assist.

THE CACTUS AND SUCCULENT SOCIETY OF NSW SPRING SHOW

The AUSCPS has been invited to participate in the The Cactus & Succulent Society of NSW Spring Show. The Society will be manning an information / sales stall at the show, which will be held on the 23rd November 2019. The show will be at Philip Charley Pavilion, Hawkesbury Showground, Racecourse Rd, Clarendon NSW. The show hours are 9.00am to 3.00pm, with bump in from 4.00pm on Friday 22 November 2019.

REQUEST FOR JUDGES AT THE ROYAL EASTER SHOW

The AUSCPS has sponsored the carnivorous plant competition at the Sydney Royal Easter Show for the past few years and has also provided judges for the event. Judges are circulated every two years to maintain fair and unbiased judging. We are in need of more judges. The Royal Agricultural Society will offer training and pay for entry, parking and lunch on the day of judging. If you are interested in being a judge at the Sydney Royal Easter Show please contact David at auscps@gmail.com

NATIONAL ARBORETUM CARNIVOROUS PLANT WORKSHOP

The Canberra branch of the Society held a carnivorous plant workshop at the National Arboretum on Sunday 13th October 2019. The workshop was booked out with 80 attendees who were treated to a talk about carnivorous plants and their cultivation, followed by a sales opportunity after the workshop. Congratulations to the Canberra branch and thank you to those who volunteered their time.

TRIFID PARK OPEN DAY

The annual Triffid Park open day will be held on Sunday the 24th November 2019 from 10am to 4pm. For more information visit www.triffidpark.com.au

DROSERA OF THE WORLD IN REPRINT

Due to exceptional demand, the three volume Drosera of the World will be reprinted with a further 250 copies of each volume. This is your last chance to purchase these books as they will not be reprinted again. To order your copy, contact Redfern Natural History Productions.

MEETINGS IN BRISBANE

The AUSCPS is looking to resume meetings in the Brisbane area. If you are willing to co-ordinate the meetings, please contact David at auscps@gmail.com

MEETINGS IN PERTH

The AUSCPS has been informally seeking interest from members and friends in Western Australia to participate in the establishment of meetings in the Perth area. We have received significant interest from people wanting to attend such meetings on a regular basis. The Committee has given approval to formally seek a team of members to find a suitable venue and commence monthly meetings under the banner of the AUSCPS. To date, no one has made themselves available. If you would like to be involved in the commencement and establishment of meetings in Perth, please contact David at auscps@gmail.com.

NEWSLETTER PHOTOS

We are looking to expand our file of quality photographs used in the newsletter. If you have any photos that you think may be suitable for publication in the newsletter, please forward them to auscps@gmail.com

RECOMMENCEMENT OF THE LIBRARY

The Society has a vast collection of journals from around the world along with a selection of books about carnivorous plants. As such we are bringing back our library available to members on a trial basis. It is expected the library will visit our branches on a rotation basis. If you have any books that you would like to donate, please contact your branch co-ordinators or David at auscps@gmail.com

 **Victorian Carnivorous
PLANT SOCIETY**

2019 Annual Show

FREE ENTRY
Saturday November 30th – December 1st
9AM TO 5PM AT COLLECTORS CORNER,
GARDENWORLD CENTRE, SPRINGVALE ROAD, KEYSBOROUGH
www.vcps.org

MEETINGS

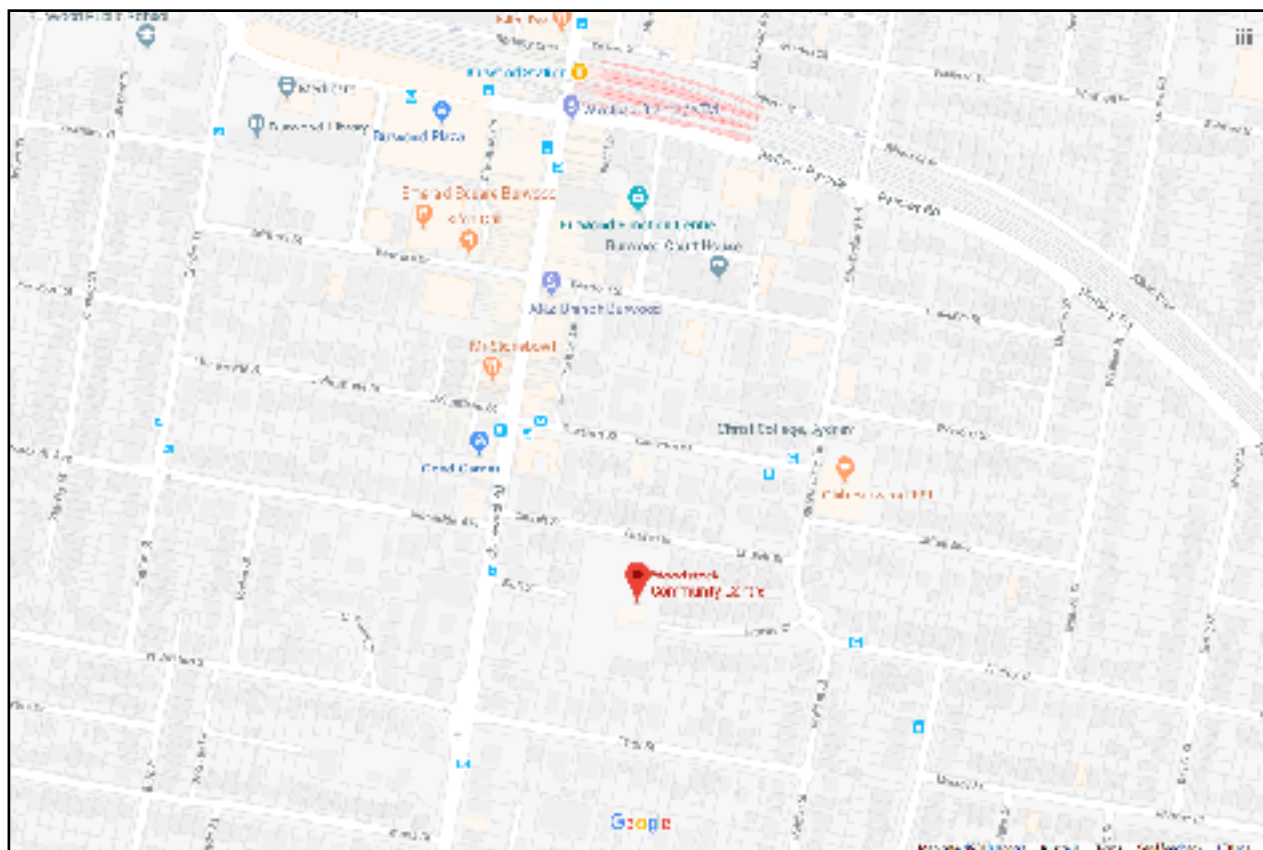

The Australasian Carnivorous Plant Society holds meetings in Queensland, New South Wales and the Australian Capital Territory. Meetings are a great place for members and friends to socialise, share experiences, and buy, swap and sell Carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering Carnivorous Plants in the wild, or how best to cultivate them in your environment.

We hope you are able to attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30pm on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421271888 or David on 0410643531 if you have any questions about attending this meeting.

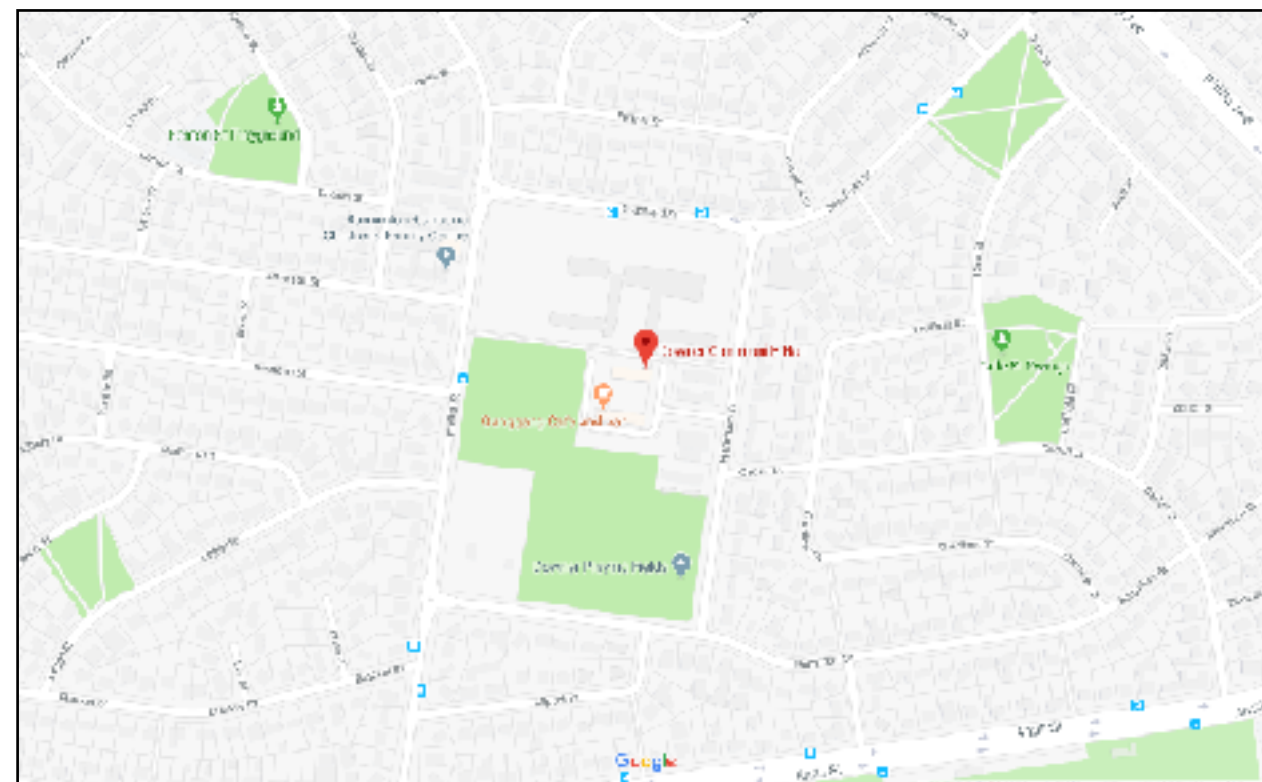

BRISBANE

The Brisbane chapter of the AUSCPS is currently on hold with Alan Haase stepping down due to work commitments. Brent Jones is looking at finding an alternative venue. If you would like to assist in hosting the meetings, please contact Brent at brent.jones@outlook.com

CANBERRA

The Canberra chapter of the AUSCPS meets at 7:30pm on the first Friday of each month at the Downer Community Hall, Frencham Place, Downer, A.C.T. Call Barry if you have any questions about attending this meeting (0417 219477).

MINUTES

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.
HELD ON FRIDAY, 10TH October, 2019
WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 8:09 p.m.

PRESENT

There were 14 members in attendance.

APOLOGIES

Wesley Fairhall and Marina Chong

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting were tabled and then considered to be accepted by the end of the meeting.
Carried over by Ian and seconded by Otto

BUSINESS ARISING

- 1) Kariong was another success, taking about \$1144 in commission.
Action item: More organised next year with _____ to follow-up.
- 2) Selling peat at \$5.00 a bag, while live sphagnum is \$10 a bag
- 3) Library open and carried by Glenn
- 4) Raffle tickets still selling.
- 5) Southern orchid spectacular went well enough with exposure for the society, generating lots of interest. Info in the newsletter about it.
- 6) Insurance has arrived.
- 7) Carniflora Australis is out. We need to print at least one March journal as a back-up, as we're out of them.
- 8) Field Guide is being finalised. We're nearly there. Sales price will be \$15 and \$10 for members. Print run of 200 copies.
- 9) December meet will be a Christmas show. Looking for organisers beyond the core committee.
- 10) Canberra has organised with the national arboretum having a workshop with them on the 12th with a lot of people. Tickets have sold out for the event.
- 11) Savage Garden and Growing Carnivores are still available for purchase.
- 12) The Perth branch of the society is still in limbo, as well as the Brisbane branch of the society.
- 13) We've been invited to participate in the November Cactus Society show, will be at Clarendon on 23rd November. Table cost is \$250 for one day. The general consensus is that we give it a go, flex our muscles and liaison with other plant societies out there.

CORRESPONDENCE

TREASURER'S REPORT

Bank - \$5331.37

PLANT OF THE MONTH

The Plant of the Month featured Summer growing Drosera (Sundews). The following plants were brought in for display:

- 1 - *Drosera schizandra* grown by David Colbourn (3)
- 2 - *Drosera binata* var. *dichotoma* grown by Harrison Toth (0)
- 3 - *Drosera regia* grown by Hasan Fahridan (0)
- 4 - *Drosera binata* var. *multifida* grown by Sean Polivnick (2)
- 5 - *Drosera filiformis* var. *tracyi* grown by Hasan Fahridan (0)
- 6 - *Drosera hamiltonii* grown by Troy Cooper (1)
- 7 - *Drosera binata* var. *dichotoma* grown by Sean Polivnick (0)
- 8 - *Drosera filiformis* var. *tracyi* grown by Troy Cooper (0)
- 9 - *Drosera gibsonii* grown by David Colbourn (0)
- 10 - *Drosera capensis* f. Broad Leaf (0)
- 11 - *Drosera capensis* f. Red Leaf grown by Sean Polivnick (2)
- 12 - *Drosera aliciae* from xxx grown by Troy Cooper (1)
- 13 - *Drosera burmannii* grown by Glenn Carson (8)
- 14 - *Drosera regia* grown by Troy Cooper (2)
- 15 - *Drosera intermedia* from Mt Roraima grown by Sean Polivnick (0)
- 16 - *Drosera regia* grown by Sean Polivnick (0)

The winner was Glenn Carson for his magnificent bowl of *Drosera burmannii* (pictured)

Other plants brought in for show were:

Dionaea 'Sharks Teeth' grown by David Colbourn

Dionaea muscipula grown by Hasan Fahridan

Nepenthes truncata hybrid grown by Hasan Fahridan

Sarracenia flava grown by Hasan Fahridan

Sarracenia leucophylla 'Tarnok' grown by David Colbourn

Sarracenia hybrid grown by Hasan Fahridan

Congratulations Glenn and to everyone who brought in their plants to show. It was one of our most impressive displays.

The meeting closed at 9:00 p.m. and members adjourned.

CANBERRA MINUTES

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC. HELD ON FRIDAY, OCTOBER 4th 2019 DOWNER COMMUNITY CENTRE (DCC), CANBERRA, ACT

The meeting opened at 7.30 pm

PRESENT

There were 11 members and guests in attendance.

APOLOGIES

Ross Rowe, John and Kerren de Majnik and Anthony Field.

GENERAL BUSINESS

Money collected at the meeting included \$25 in gold coin donations, an electronic membership subscription (\$25) and 6 potting mix sales (\$50). The \$75 from potting mix sales and membership subscription have been transferred into the society PayPal account.

The Canberra Branch now holds \$498 in funds raised – note that \$80 from revenue is allocated to venue hire for the July, August, September and October meetings leaving a sub- total of \$408.

BUSINESS ARISING

Chris Duffy briefed members on final plans for the World of Carnivorous Plants Workshop that he has organised at the National Arboretum on October 13th. Setup will begin at 9am. The workshop will run from 10am – 12pm with Robert Little, Owen O'Neill and Barry Bradshaw all volunteering to give talks and demonstrations. Plant sales and displays will then run from 12-2pm. It was agreed at the meeting to use Branch funds to purchase a portable eftpost machine (\$59) to use for plant sales at this and subsequent events.

The next plant sales event will be at the Canberra Old Bus Depot Markets on October 27th.

Volunteers are sought to help organise the Branch Christmas event on December 6th – Barry Bradshaw will email members asap.

PRESENTATION

Following general business, Owen O'Neill provided a slideshow of his 2018 trip to the USA showing photos from the ICPS Conference and his field trips to see carnivorous plants growing in their natural habitats. Damian Porombka compiled the photos for Owen into a professional looking animated movie with accompanying sound track. Owen will post a copy on his YouTube site.

The meeting finished with an open discussion on cultivating and propagating *Nepenthes*.

PLANT OF THE MONTH

The following plants were bought in for the 'Plant of the Month' competition:

1. *Nepenthes ampullaria* – grown by Robert Little
2. *Nepenthes maxima* (dark) x *veitchii* (Bario squat pink) – grown by Barry Bradshaw

3. *Nepenthes ventricosa* x *sibuyanensis* x *truncata* (large red) – grown by Barry Bradshaw

4. *Nepenthes* (unknown species/hybrid) – grown by Kirra Lynam

The joint winners were *Nepenthes* (unknown species/hybrid) grown by Kirra Lynam and *Nepenthes maxima* (dark) x *veitchii* (Bario squat pink) grown by Barry Bradshaw.

The meeting closed at 9.30 pm. The next meeting will be held at the Downer Community Centre on Friday November 1st 2019 at 7.30pm – the meeting theme will be *Sarracenia*.

IN THE GREENHOUSE

ALDROVANDA

Plants are in active growth. Consider adding fresh decomposing leaf litter to the water to add CO2 as it decays. Keep frogs and tadpoles out of the water, which eat the plants. Plants may be grown in shade to reduce algae growth.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Water from above and protect from frost. Feed with 1/4 strength urea free liquid fertiliser.

BYBLIS

Byblis gigantea and *lamellata* will be in full growth. Flowering occurs in Spring and Summer. Cross pollinate flowers using the “Buzz” technique to produce fertile seed. Keep the soil moist.

The northern annual species of *Byblis* may be sown now. Germination commences when temperatures regularly reach 30°C. Artificial heat and/or smoke/GA3 treatment will induce germination.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Flowering occurs in mid to late Spring. Leaf and pitcher cuttings may be taken now.

DARLINGTONIA

Darlingtonia is in active growth with pitcher and flower production. The stolons may appear at the edge of the pots. The stolons may be detached and cut into 4-5cm lengths to produce new plants. Keep moist and expose to cold temperatures for as long as possible.

DIONAEA

All VFTs are in active growth with fresh leaves and flowers. Consider removing the flower spike and use in vegetative propagation.

DROSERA

Most tuberous *Drosera* are now dormant. Reduce watering. Sow seed on the surface of the soil and expose to full sun and heat to aid germination in Autumn.

Pygmy *Drosera* will begin to flower as temperatures increase. Keep plants moist to wet.

Other Winter growing species such as *D. ramentacea*, *cistiflora* and *pauciflora* are now dormant. Stop watering and keep the soil barely moist.

Tropical and sub-tropical species will be in growth. Keep protected from frost.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* are in growth and flower.

DROSOPHYLLUM

Drosophyllum will be in active growth and requires frequent feeding. In the absence of insect prey, a 1/4 strength urea free liquid fertiliser applied to the leaves is fine.

Drosophyllum tolerates higher soil moisture levels during the cooler months and may be watered using the tray method. As temperatures increase, reduce watering and keep the soil just moist. Flowering commences in Spring. Flowers are self fertile.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high. Keep warm and in bright light.

HELIAMPHORA

Keep plants in a bright and humid location. Feed with 1/4 strength urea free liquid fertiliser. Flowering occurs during the Spring. Collect pollen using the “buzz” technique and use to pollinate the next flower on the scape or another flower.

NEPENTHES

Spring is a great time for *Nepenthes*. Aim to keep the lowland plants above 15°C.

Highland species enjoy the cooler nights and will continue to grow. Keep plants above 10°C at night and 20-25°C during the day.

PINGUICULA

Most Mexican species/hybrids are ending their dormancy. Keep the soil drier until growth resumes. Some of the non-carnivorous leaves may be removed for leaf cuttings.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Flowering occurs in the Spring. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering occurs in Winter and Spring. Sow seed now onto moist peat/sand. Germination may take 3-8 weeks. Keep the soil moist and place in very bright situations. Ensure good air circulation to avoid fungal attack of the seedlings.

SARRACENIA

All *Sarracenia* species/hybrids will resume growth with fresh leaf shoots and flowers. *Sarracenia flava* and *oreophila* species look their best in Spring. Increase the water level / frequency and keep in full sun.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet. Flowering will resume.

Aquatic *Utricularia* are in active growth.

Winter growing species, such as *U. multifida* and *U. menziesii* will begin to end their life cycle as temperatures increase and soils dry out.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist during the warmer months.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all of our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

T-SHIRTS

T-shirts printed with our logo on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at auscps@gmail.com.

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc, that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Ian Woolf on iwoolf@gmail.com

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Officer is Ian Woolf. Email: iwoolf@gmail.com. The seed bank list is contained at the end of this newsletter.

LIVE SPHAGNUM MOSS

The Society has sourced some live Sphagnum moss for sale at meetings and events for \$12 per bag.

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

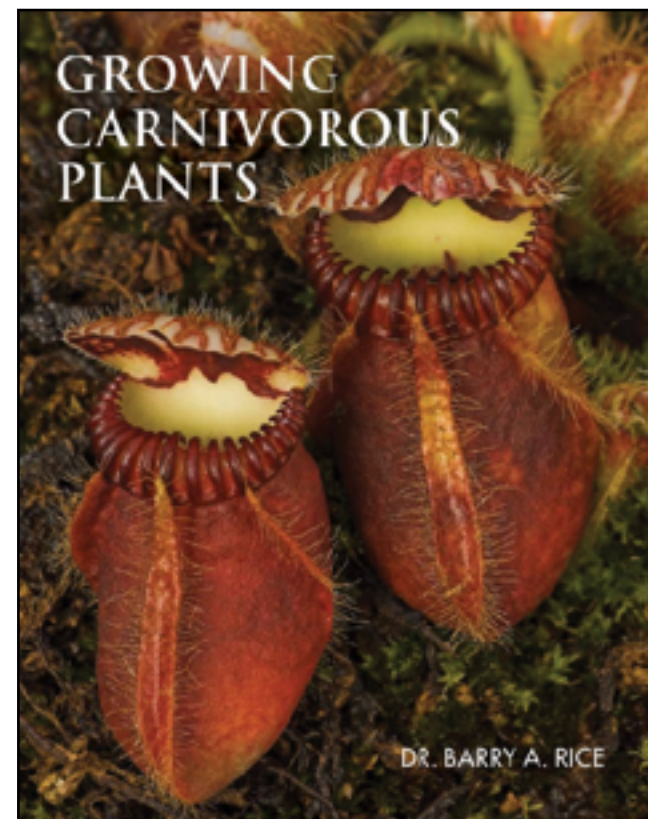

The Society is currently developing a field guide for the Carnivorous Plants of the Sydney and Blue Mountains region. The booklet details all 19 species in the area and will be about 44 pages long. The booklet will feature a detailed map with specific information on where to find the best population of each species. The price of the book has not yet been determined but is expected to be less than \$25.

GROWING CARNIVOROUS PLANTS

The Society has a few hardback copies of Barry Rice's book for members and friends to purchase.

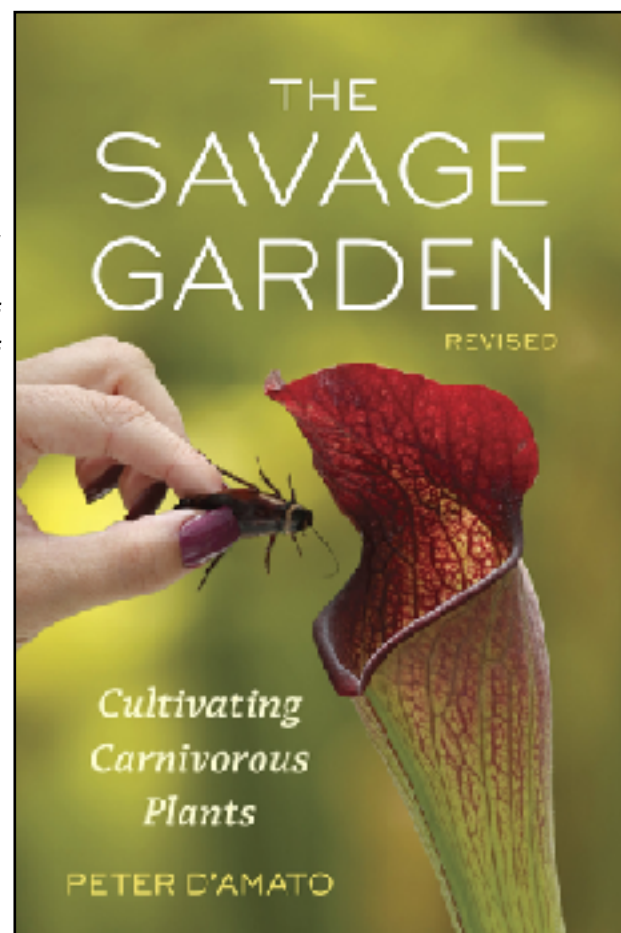

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from the Society at meetings and events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

CARNIFLORA AUSTRALIS

Various back editions of *Carniflora Australis* will be available for sale at the meetings for \$5. Some editions are very limited. Please contact your branch coordinators for edition availability or deals on multiple copies.

BURWOOD,
N.S.W. 1805**

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a not for profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank, ability to sell plants at official stalls at which the society participates, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
PO Box 70, Burwood, NSW 1805 AUSTRALIA
