Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. that documents the meetings, news and events of the Society.

The current committee of the Australasian Carnivorous Plant Society Inc. comprises:

COMMITTEE

President - Wesley Fairhall
wesleyfairhall7@gmail.com

Vice President - Vacant

Treasurer - David Colbourn
davecolbourn@gmail.com

Secretary - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Sean Polivnick
spolivnick@hotmail.com

DELEGATES

Journal Editor - Dr. Robert Gibson

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor - David Colbourn
davecolbourn@gmail.com

Sydney Coordinator - Kirk Hirsch
mijmark@ihug.com.au

Public Officer - Kirk Hirsch
mijmark@ihug.com.au

Brisbane Coordinator - Vacant

Website Manager - Marina Chong

Brisbane Coordinator - Vacant

Social Media Manager - Glen Moss

Canberra Coordinator - Robert Little

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Canberra Coordinator - Chris Duffy

Events Coordinator - Vacant

Library Manager - Glenn Carson
glenncarson@iinet.net.au

Seed Bank Manager - Ian Woolf
iwoolf@gmail.com

CALENDAR

APRIL

3rd April 2020 - AUSCPS meeting - Canberra - Cancelled
10th April 2020 - AUSCPS meeting - Sydney - Cancelled

MAY

1st May 2020 - AUSCPS meeting - Canberra - Cancelled
8th May 2020 - AUSCPS meeting - Sydney - Cancelled
31st May 2020 - AUSCPS swap meet - Brisbane - TBC

JUNE

5th June 2020 - AUSCPS meeting - Canberra Pygmy *Drosera*, perennial *Byblis* & *Roridula*
12th June 2020 - AUSCPS meeting - Sydney featuring *Cephalotus* and *Heliophora*

JULY

3rd July 2020 - AUSCPS meeting - Canberra featuring *Sarracenia* and *Darlingtonia*
10th July 2020 - AUSCPS meeting - Sydney (AGM) featuring Winter growing *Drosera*

AUGUST

7th August 2020 - AUSCPS meeting - Canberra - Pests, diseases, terrariums & lights.
14th August 2020 - AUSCPS meeting - Sydney featuring *Pinguicula*

SEPTEMBER

4th September 2020 - AUSCPS meeting - Canberra - *Drosera* workshop;
Canberra region carnivorous plants.
11th September 2020 - AUSCPS meeting - Sydney featuring *Nepenthes*

OCTOBER

2nd October 2020 - AUSCPS meeting - Canberra - The world of carnivorous plants.
9th October 2020 - AUSCPS meeting - Sydney featuring Summer growing *Drosera*

NOVEMBER

6th November 2020 - AUSCPS meeting - Canberra - *Nepenthes*; *Sarracenia* display
13th November 2020 - AUSCPS meeting - Sydney - *Sarracenia* and *Darlingtonia*
TBA - VCPS annual show, Collector's Corner, Melbourne
TBA - Triffid Park open day

DECEMBER

TBA- VCPS annual show, Collector's Corner, Melbourne
4th December 2020 - AUSCPS meeting - Canberra - Christmas Party
11th December 2020 - AUSCPS - Sydney - Annual Show

JANUARY

1st January 2021 - AUSCPS meeting - Canberra
8th January 2021 - AUSCPS meeting - Sydney featuring *Dionaea* (VFT)

FEBRUARY

7th February 2021 - AUSCPS meeting - Canberra
14th February 2021 - AUSCPS meeting - Sydney *Utricularia*, *Aldrovanda* & *Genlisea*

MARCH

5th March 2021 - AUSCPS meeting - Canberra featuring Carnivorous Plants 101
12th March 2021 - AUSCPS meeting - Sydney *Byblis*, *Drosophyllum* & *Roridula*
TBA - Collectors' Plant Fair, Clarendon, N.S.W.

NEWS

CORONAVIRUS PRECAUTIONARY MEASURES

With the emergence of the Coronavirus and increasing restrictions put on social gatherings, the Committee of the AUSCPS decided to cancel all meetings until further notice. News about the Society and any announcements will be published via our Facebook site and this newsletter. The AUSCPS Executive thanks you for your understanding and is happy to answer any queries you may have in relation to this announcement.

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is due now. Membership to the Society is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW!

Membership entitles you to two editions of our journal, *Carniflora Australis*, 12 editions of our monthly newsletter, *Carniflora News*, subsidised seed from our seed bank, discounts on books and other merchandise, access to our free library and access to sell plants at fairs and events attended by the Society. A membership form is attached to this newsletter with instructions on how to make payment.

NOMINATIONS FOR THE 2019/20 EXECUTIVE AND COMMITTEE

Our A.G.M. is planned to be held at the Sydney meeting on the 10th of July. One of the objectives at this meeting is to elect the executive (President, Vice-President, Secretary and Treasurer) and one additional Committee member. We are now a national Society, and as such, members from across Australia are eligible to occupy a position. A description of each executive position was detailed in the April newsletter. Now it is time to put your name forward using a self-nomination system.

WE WANT YOU!

Please send an email to auscps@gmail.com nominating yourself for one of the positions and provide a short background about yourself and any skills you have that may assist you in that role. You must be a current financial member of the Society to be on the committee. Nominations must be received by 31/5/2020. A list of nominees will be published in the June edition of the newsletter along with a proxy voting form for those who wish to vote but cannot make the A.G.M. Please consider this opportunity to be more involved with the Society and have a say in our future.

VFT COMPETITION

The AUSCPS is sponsoring a competition to find the largest VFT trap this season. The competition is being hosted on Facebook and is open to residents of Australia. Entrants need to post a picture of their largest trap with a ruler in front of it. The largest trap will be measured from the base of the widest teeth on each trap. The winner will receive a \$50 Bunnings Gift Card. Competition closes on 31/5/2020. To enter, simply post a photo of your trap to the competition post on our Facebook Page, or email your photo to auscps@gmail.com where it will be uploaded.

CARNIFLORA AUSTRALIS

The March 2020 edition of *Carniflora Australis* is out this month. This edition features articles on:

The Wonderful World of Carnivorous Plants—workshop in Canberra (13 Oct. 2019)

Sarracenia x excellens,
Drosera spatulata flower colour,
Utricularia praelonga,
Drosera schmutzii, and
A review of the 'Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains'.

The printed journal was missing the centre pages due to a problem with our supplier. The printed pages will be sent out to those members for insertion into the journal.

FIELD GUIDE

The Field Guide to the Carnivorous Plants of Sydney and the Blue Mountains was released on the 13th December and is now available for sale. The RRP is \$15. Members may purchase the guide for \$10 (limit of 2 copies per member). The guide may be purchased from meetings and events, and will also be available on eBay. Sales have been strong with orders from around the country and internationally.

RECOMMENCEMENT OF THE LIBRARY

The Society has a vast collection of journals from around the world along with a selection of books about carnivorous plants. As such we are bringing back our library available to members on a trial basis. It is expected the library will visit our branches on a rotation basis. If you have any books that you would like to donate, please contact your branch coordinators or David at auscps@gmail.com

Thank you to Elan Chesher who donated the three volume set of Allen Lowrie's Carnivorous Plants of Australia - Magnum Opus

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to auscps@gmail.com

VALE JOAN FAIRHALL

In April we lost a long time member of the Society, Joan Fairhall. Joan is the mother of our President and she frequently attended the Sydney based meetings. Joan was laid to rest on Monday 20th April and will be greatly missed.

SAVAGE GARDEN

Our shipment of new Savage Garden books has been delayed by COVID19 and is expected to arrive in Australia in late June.

BACK ISSUES OF CARNIFLORA AUSTRALIS

The Society has a number of surplus back issues of *Carniflora Australis*. They will be for sale at meetings only for \$1 each.

MEETINGS

The Australasian Carnivorous Plant Society holds meetings in Queensland, New South Wales and the Australian Capital Territory. Meetings are a great place for members and friends to socialise, share experiences, and buy, swap and sell Carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering Carnivorous Plants in the wild, or how best to cultivate them in your environment.

We hope you are able to attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

SYDNEY

The Sydney chapter of the AUSCPS meets each month at the Woodstock Community Centre, which is available off Fitzroy Street, about 1 kilometre from the city.

Due to the current situation, we have decided to suspend our meetings. We will be hosting a special meeting between 12pm and 2pm, at the Artrageous Exhibition, Brisbane. Please say hello to Michael Stillman, who is organising the event. Let him know if you are interested in attending meetings in the future.

CANBERRA

The Canberra chapter of the AUSCPS meets at 7:30pm on the first Friday of each month at the Downer Community Hall, Frencham Place, Downer, A.C.T. Call Barry if you have any questions about attending this meeting (0417 219477).

MEETINGS IN PERTH

The AUSCPS has been informally seeking interest from members and friends in Western Australia to participate in the establishment of meetings in the Perth area. We have received significant interest from people wanting to attend such meetings on a regular basis. The Committee has given approval to formally seek a team of members to find a suitable venue and commence monthly meetings under the banner of the AUSCPS. To date, no one has made themselves available. If you would like to be involved in the commencement and establishment of meetings in Perth, please contact David at auscps@gmail.com.

IN THE GREENHOUSE

ALDROVANDA

Plants will enter dormancy soon and survive winter as floating turion in cold climates.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Fertilise with a diluted foliar application of urea free fertiliser.

BYBLIS

Byblis gigantea and *lamellata* are now in active growth. Keep the soil moist to wet. Treat seed with Ga3 or smoke water and sow in early autumn.

The northern annual species of *Byblis* will soon finish their life cycle. Harvest seed.

Growth rates for all species of *Byblis* may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Leaf production will soon replace trap production.

DARLINGTONIA

Darlingtonia will soon enter dormancy. Keep the plants cold to prolong the dormancy.

DIONAEA

All VFTs should be in active growth. Keep well watered.

DROSERA

Tuberous *Drosera* begin to break dormancy. Increase watering and expose to bright or direct light. Treat seed with Ga3 or smoke water and sow in early autumn.

Pygmy *Drosera* begin to produce gemmae. Harvest and place the gemmae on a peat:sand mix (1:1). Mist spray until the tap root forms.

Other Winter growing species such as *D. cistiflora* and *pauciflora* commence growth. Treat seed with Ga3 or smoke water and sow in early autumn.

Tropical and sub-tropical species will be in full growth and flower. Keep the soil very moist. and keep the plants warm. Collect seed and sow onto a peat based media.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* enter dormancy and form a winter hibernacula.

DROSOPHYLLUM

Drosophyllum will be in active growth. Growth rates increase with increased prey capture and the cooler weather. Seed may be sown now. Scarify the hard seed coat or pour boiling water over the seed for a few seconds and then soak in water for 24 hours before sowing.

GENLISEA

Genlisea should be in flower and active growth. Keep warm and the water levels high.

HELIAMPHORA

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

NEPENTHES

Autumn is a good time for *Nepenthes*. Aim to keep the lowland plants warm to hot and in high humidity. Highland species will enjoy the cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

PINGUICULA

Mexican species/hybrids begin to enter dormancy and produce small succulent rosettes. Reduce watering and humidity.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering ends. Harvest any seed and sow in autumn. Keep the soil moist and place in a very bright and airy situation with low humidity.

SARRACENIA

Sarracenia will soon enter dormancy. Leave the old trap on the plant. Keep moist.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* are in active growth. Keep algae under control.

Winter growing species, such as *U. multifida* and *U. menziesii* resume growth. Keep moist to wet.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all of our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

T-SHIRTS

T-shirts printed with our logo on the front are available for \$35 each. These T-Shirts are a great way to promote and support the Society at functions and shows. To order the T-Shirts, contact David at auscps@gmail.com.

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc, that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Ian Woolf on iwoolf@gmail.com

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Officer is Ian Woolf. Email: iwoolf@gmail.com. The seed bank list is contained at the end of this newsletter.

LIVE SPHAGNUM MOSS

The Society has sourced some live Sphagnum moss for sale at meetings and events for \$10 per bag.

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

The Field Guide to the Carnivorous Plants of Sydney and Blue Mountains is out now. The booklet details all 19 species in the area and contains 44 full colour pages. The guide features a detailed map with specific information on where to find the best population of each species. The price of the guide is \$15 or \$10 for members (limit of 2) and is available at meetings, events and on ebay.

GROWING CARNIVOROUS PLANTS

The Society has a few hardback copies of Barry Rice's book for members and friends to purchase.

We are offering this book to members for \$30 and to non-members for \$35. The books may be purchased from the Society at meetings and events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 100 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$30 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted anywhere in Australia for \$5. Contact David at auscps@gmail.com to order.

CARNIFLORA AUSTRALIS

Various back editions of *Carniflora Australis* will be available for sale at the meetings for \$1 each. Some editions are very limited. Please contact your branch coordinators for edition availability or deals on multiple copies.

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a not for profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank, ability to sell plants at official stalls at which the society participates, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
PO Box 70, Burwood, NSW 1805 AUSTRALIA

DIRECT DEPOSIT

Banking details are below. Please add your email address and name as payment reference. Alternatively, email the Membership Secretary at auscps@gmail.com to advise of your payment and attach the completed form below:

Acc. Name: Australasian Carnivorous Plant Society Inc.
Acc. BSB: 112879
Acc. Number: 195074412
