

THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

CARNIFLORA NEWS

A.B.N. 65 467 893 226

August 2024

Drosera rupicola 'Red'

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

COMMITTEE

President - David Colbourn
davecolbourn@gmail.com

Vice President - Robert Little
robertjameslittle@yahoo.com.au

Treasurer - Wesley Fairhall
wesleyfairhall7@gmail.com

Secretary - Paul Fisher

Membership Secretary - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Glenn Carson

DELEGATES

Newsletter Editor – Glenn Carson
glenncarson@inet.net.au

Public Officer - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au
0421 271 888

Website Manager - Marina Chong

Social Media Manager - Glen Moss

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Events Coordinator - Vacant

Seed Bank Manager - Marlon Maclean
marlonjamesmaclean@gmail.com

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Sydney Coordinator - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

Brisbane Coordinator - Liam Krieger
liamkrieger71@gmail.com

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Canberra Coordinator - Mathew Day

Library Manager - Glenn Carson
glenncarson@inet.net.au

CALENDAR

AUGUST

2nd Aug 2024

AUSCPS meeting - Canberra featuring butterworts and bladderworts.

7th Aug 2024

AUSCPS meeting – Brisbane featuring *Nepenthes*, plus presentation on *Aldrovanda* and *Drosophyllum lusitanicum*

9th Aug 2024

AUSCPS meeting - Sydney featuring *Drosophyllum*, *Roridula* and perennial *Byblis*.

SEPTEMBER

6th Sep 2024

AUSCPS meeting - Canberra featuring non-tuberous sundews.

13th Sep 2024

AUSCPS meeting - Sydney featuring Australian native carnivorous plants.

21-22nd Sep 2024

Kariong Plant Lovers Fair.

4th Sep 2024

AUSCPS meeting - Brisbane.

OCTOBER

2nd Oct 2024

AUSCPS meeting - Brisbane.

4th Oct 2024

AUSCPS meeting - Canberra featuring tropical pitcher plants.

11th Oct 2024

AUSCPS meeting - Sydney featuring *Utricularia* and *Genlisea*.

19-20th Oct 2024

Collectors' Plant Fair – Maitland NSW

NOVEMBER

1st Nov 2024

AUSCPS meeting - Canberra.

6th Nov 2024

AUSCPS meeting - Brisbane.

8th Nov 2024

AUSCPS meeting - Sydney featuring *Sarracenia*.

DECEMBER

6th Dec 2024

AUSCPS meeting - Canberra.

4th Dec 2024

AUSCPS meeting - Brisbane.

14th Dec 2024

AUSCPS Sydney Annual Show (Saturday).

JANUARY

3rd Jan 2025

AUSCPS meeting - Canberra.

8th Jan 2025

AUSCPS meeting - Brisbane.

10th Jan 2025

AUSCPS meeting - Sydney featuring *Dionaea* and *Aldrovanda*.

FEBRUARY

7th Feb 2025

AUSCPS meeting - Canberra.

12th Feb 2025

AUSCPS meeting - Brisbane.

14th Feb 2025

AUSCPS meeting - Sydney featuring summer growing *Drosera* and Annual *Byblis*.

MARCH

7th Mar 2025

AUSCPS meeting - Canberra.

12th Mar 2025

AUSCPS meeting - Brisbane.

14th Mar 2025

AUSCPS meeting - Sydney featuring *Pinguicula*.

APRIL

4th Apr 2025

AUSCPS meeting - Canberra

9th Apr 2025

AUSCPS meeting - Brisbane

11th Apr 2025

AUSCPS meeting - Sydney featuring *Sarracenia* and *Darlingtonia*.

TBA Apr 2025

Collectors' Plant Fair – Clarendon NSW

MAY

2nd May 2025

AUSCPS meeting - Canberra

7th May 2025

AUSCPS meeting - Brisbane

9th May 2025

AUSCPS meeting - Sydney featuring *Nepenthes*.

JUNE

6th Jun 2025

AUSCPS meeting - Canberra

4th Jun 2025

AUSCPS meeting - Brisbane.

13th Jun 2025

AUSCPS Winter Show – Sydney

JULY

4th Jul 2025

AUSCPS meeting - Canberra featuring open discussions.

9th Jul 2025

AUSCPS meeting - Brisbane.

11th Jul 2025

AUSCPS meeting - Sydney featuring winter growing *Drosera* and *Utricularia*

11th Jul 2025

AUSCPS Annual General Meeting - Sydney.

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not for profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to glenncarson@iinet.net.au

CALL FOR ARTICLES: CARNIFLORA AUSTRALIS

We are currently low on content for our upcoming editions of *Carniflora Australis*. Do you have an idea for an article? Write it down and send it our way! We are happy to assist with polishing your piece. Below are some suggestions for article topics:

- Specific cultivation techniques
- Carnivorous plant field trips
- Propagation techniques
- Your favourite plant and why
- How your collection began
- Feeding and care tips

Don't hesitate to contribute to our publication. We look forward to reading your submissions!

SEEDBANK

The current list of seeds in the Seedbank is very large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

We have secured a stall at the Kariong Rare Plant Fair! With additional passes for volunteers, we have a great opportunity to showcase our plants and connect with potential customers.

As the fair is on the 21st and 22nd of September, it's important to start planning our stall now. Firstly, consider the layout of our stall and how we want to display our plants. Make sure to bring enough stock to fill our double stall and consider bringing some extra plants in case we sell out of certain varieties on the first day.

Secondly, we need to think about how we want to market our plants. Consider creating eye-catching signs and posters, and make sure to have clear pricing information for all your products. You may also want to consider offering special deals or discounts to entice customers to make a purchase.

Finally, don't forget to bring plenty of water and snacks for yourself and our volunteers. It's also a good idea to have some chairs or seating available, in case you or our volunteers need to take a break during the day.

Overall, with our stall and volunteer passes, we have a great opportunity to showcase our plants and connect with potential customers at the Kariong Rare Plant Fair. With some careful planning and preparation, we're sure to have a successful day.

If you are a member and would like to volunteer, the best way is to let us know of your intent at any meeting or by emailing auscps@gmail.com

MEETINGS

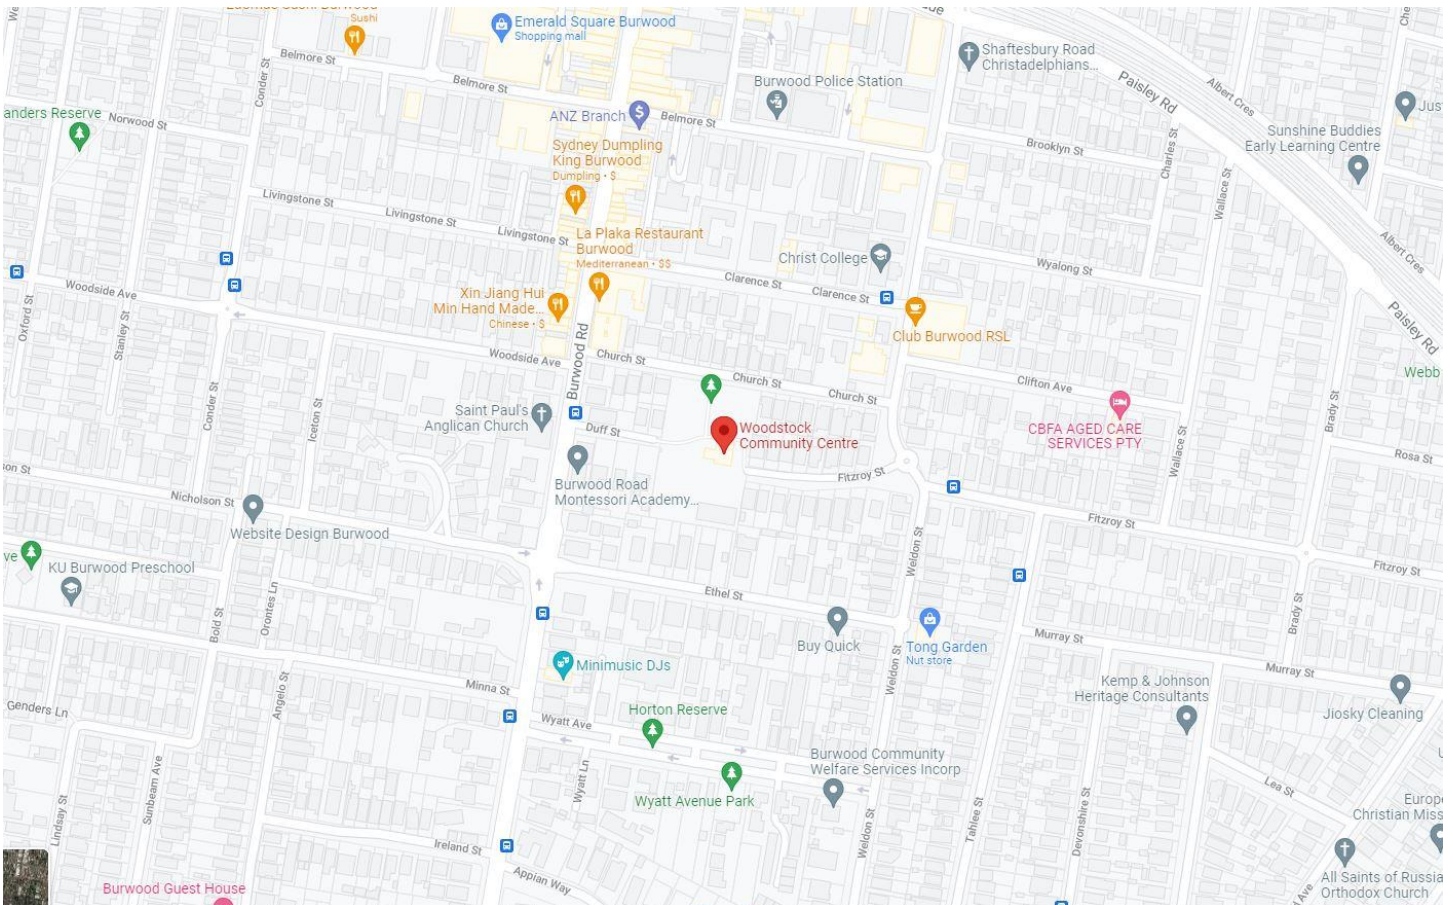

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

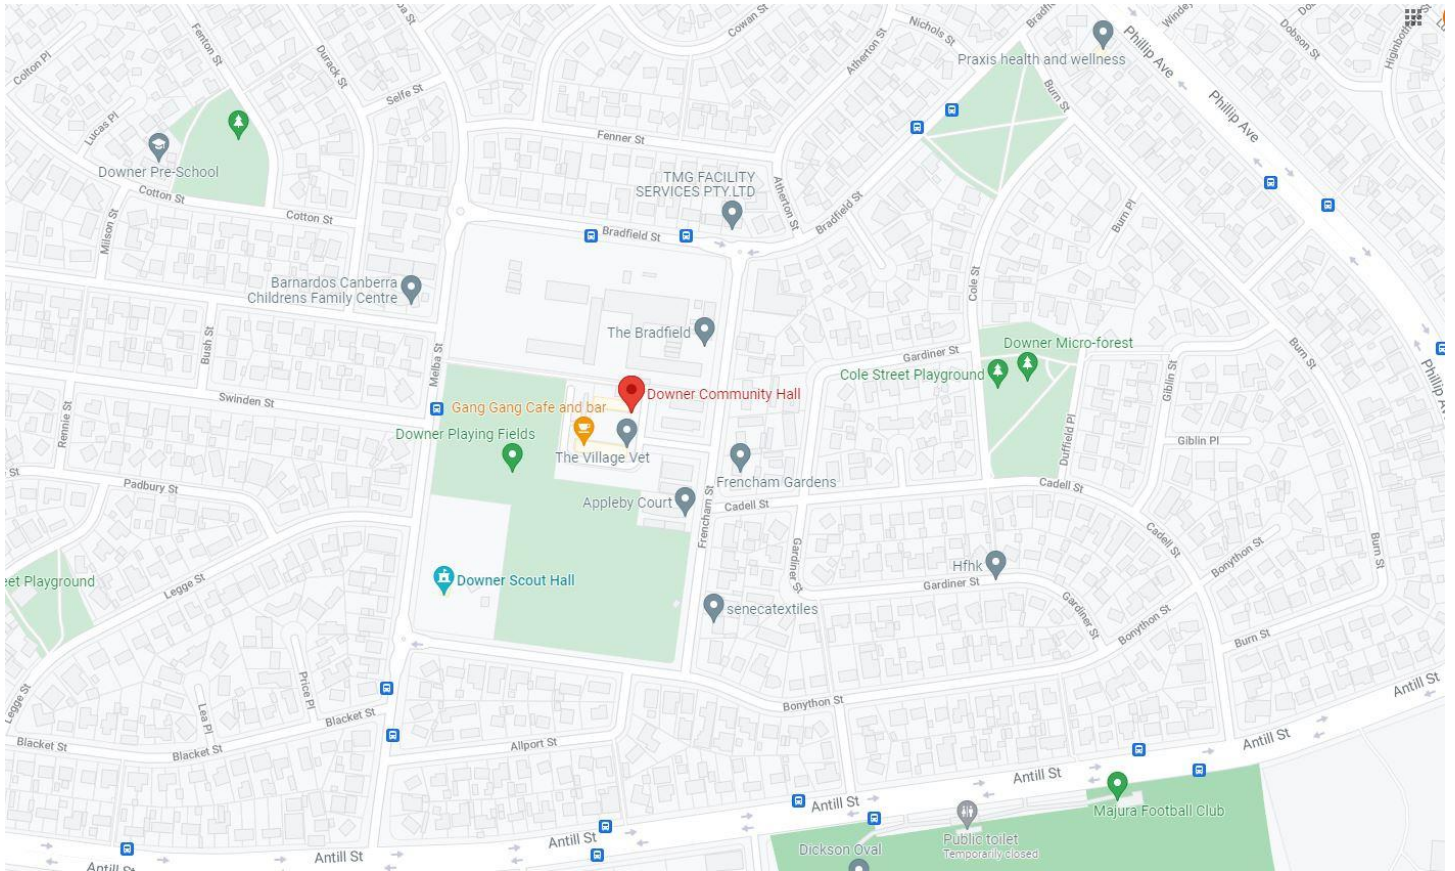

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Paul on 0412 417 489 or David on 0410 643 531 if you have any questions about attending meetings.

CANBERRA

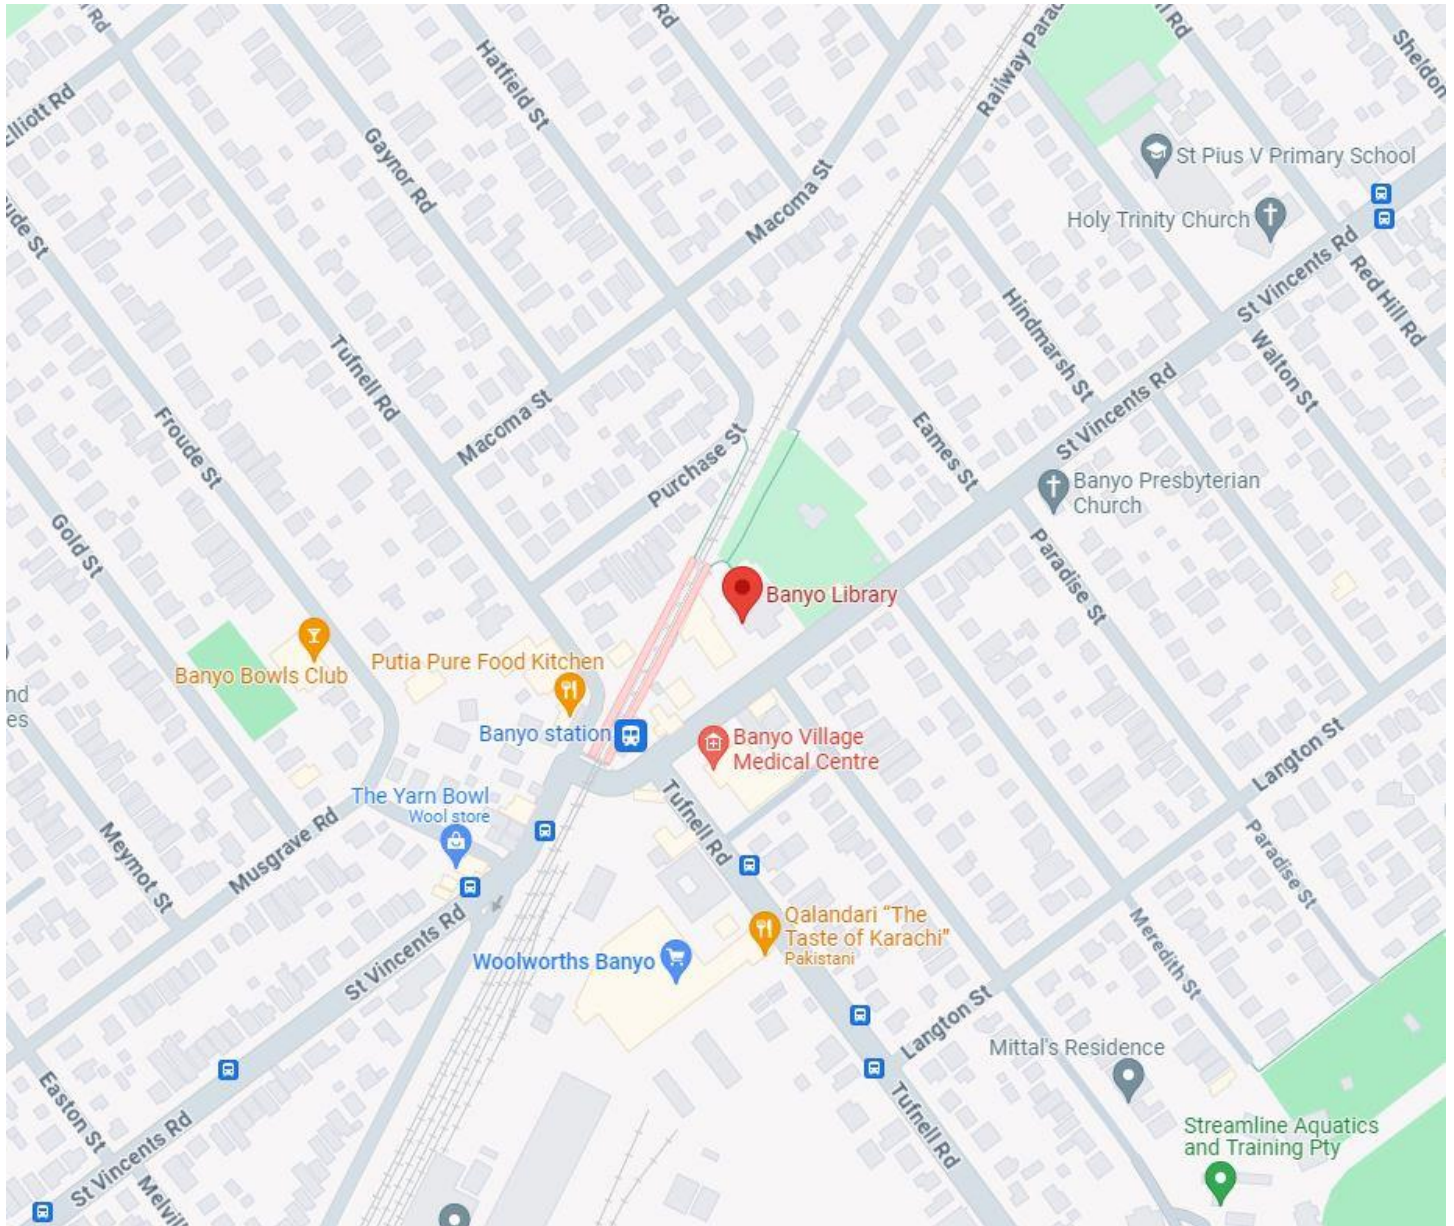

The Canberra chapter of the AUSCPS meets at 7:30 PM on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Call Robert if you have any questions about attending meetings on 0402 130 171.

BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Banyo Council Library, Meeting Room 2, 284 St Vincents Road, Banyo QLD, 4014.

Please contact Liam at liamkrieger71@gmail.com or on 0429850774 for further details.

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 5th JULY 2023

DOWNER COMMUNITY CENTRE

Dear All

Please see below a record of finances for the Canberra Chapter Financial Year 2023-24.

Speaks for itself really, thanks to a few good sales and regular, though patchy in amount, gold coin donations, we remained self-sufficient for the financial year.

The Downer Community Centre has moved to an online booking company, Spacetoco, for room bookings. No real issues (in fact a little easier). A major change is that I will be using my credit card to book the meetings, so accounts will show a reimbursement to me for bookings rather than a payment to Downer.

Cheers

Bob

AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC – BRISBANE CHAPTER

MINUTES WEDNESDAY, 3rd of JULY, 2024

AT

BANYO COUNCIL LIBRARY, MEETING ROOM 2, 284 ST VINCENTS ROAD, BANYO

No minutes were received.

AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC – SYDNEY CHAPTER

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC.

HELD ON FRIDAY, 12th JULY 2023

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7:55 p.m.

PRESENT

There were 21 attendees present.

APOLOGIES

Kirk Hirsch
Wesley Fairhall

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting of 12^h May 2024 were tabled at this meeting and accepted

R Gibson Accepted
J Lim Seconded the motion.

GENERAL BUSINESS

1. AUSCPS Winter Show.
Dave thanked all who attended the winter show last month. A good turnout of 50-60 people and we will possibly look at making it an annual event with an all-day Saturday show with a similar format to the summer show.
2. Plant Party Invite – Green Square 14th September 2024.
This is held at Redfern and members are encouraged to attend if interested, it is a bit early for growers' stock being ready for display/sale.
3. Plant Lovers Fair Kariong – Invitation 21st & 22nd September 2024.
We will be attending this year; sellers must be a financial member of the AUSCPS and volunteers for manning the stall are appreciated, it is a good day/weekend out with a variety of plants being for sale. More information will be discussed at the August and September meetings.
4. Inaugural Spring Collectors' Plant Fair 19th & 20th October 2024 – Maitland, NSW.
As we are already committed to other plant shows around this time, it was felt that we would be unable to attend this year, due to the short notice.
5. Orchid Central Show – 4th to 6th October 2024.
Being run over 3 days Friday to Sunday, we will only have 1 space at present being allocated to the Society. Further details to be advertised in future newsletters.
6. Expressions of interest for Journal Editor
Robert has resigned as Journal Editor due to work commitments and the position is now vacant. No nominations were received from the floor so the Executive at this stage will assist with the production of the journal.

CORRESPONDENCE

Incoming:

Certificate of Currency – Society Insurance
Inaugural Spring Collectors Plant Fair October 19th & 20th – Maitland
Plant Lovers Fair Kariong – Invitation 21st & 22nd September
Plant Party Invite – Green Square 14th September
Carnivorous Plant Newsletter Vol 53, No 2 – ICPS
Japanese Carnivorous Plant Society Journal Vol 30, No 2
Our Gardens Magazine Issue 101 – Winter 2024

Letter from Karen Caren at Umina Beach in regard to local purchase of *Nepenthes*, possibly suggest Oliver - Eat Me Exotics, and also suggest Kariong show. Paul to respond.

Outgoing:

AUSCPS Journal March 2024 – 22 sent

TREASURER'S REPORT

MEMBERSHIP REPORT

We have 99 paid members.

AGM

Congratulations to the newly elected members for the positions:

President –	Dave Colbourn
Vice President –	Robert Little
Membership Secretary –	Kirk Hirsch (Public Officer too)
Secretary –	Paul Fischer
Treasurer –	Wesley Fairhall
General Committee Member –	Glenn Carson

PLANT OF THE MONTH: (Winter Growing *Drosera* and *Utricularia*)

<i>D. pauciflora</i> 'Darling'	(1 vote)
<i>D. hirsuta</i> 'Gillingarra'	(0)
<i>D. zonaria</i>	(5)
<i>D. graniticola</i>	(1)
<i>D. bulbosa</i>	(0)
<i>D. stolonifera</i> 'Giant Hills form'	(2)
<i>U. menziesii</i>	(8) (10)
<i>D. cistiflora</i> 'Purple'	(5)
<i>D. lowriei</i> 'Giant'	(1)
<i>D. menziesii</i>	(1)
<i>D. rupicola</i> 'Red'	(3)
<i>D. squamosa</i> 'Laterite growing form'	(7)
<i>D. rosulata</i>	(0)
<i>D. planchonii</i>	(1)
<i>D. stolonifera</i> 'Giant Hills form'	(5)
<i>D. bulbosa</i> 'Flint'	(1)
<i>D. lowriei</i>	(1)
<i>D. rupicola</i>	(3)
<i>D. macrantha</i> 'York'	(8) (10)

<i>D. cistiflora</i> 'Stellenbosch'	(0)
<i>D. menziesii</i>	(4)
<i>D. macrantha</i> 'Tank Hill'	(8) (2)
<i>D. lowriei</i> 'Giant'	(0)
<i>D. ramellosa</i>	(0)
<i>D. whittakeri</i>	(1)

The winner was: *U. menziesii* grown by Sean Polivnick.

The meeting closed at 8.55 p.m.

The next meeting will be on Friday, 9th August, 2024.

Plant of the month - *Drosophyllum*, *Roridula* and perennial *Byblis*.

Utricularia menziesii – winner of 'Plant of the Month'.

Drosera planchonii with an aberration – a flower with carnivorous leaves rather than sepals.

Drosera hirsuta from Gillingarra, W.A.

Drosera cistiflora 'Purple flowered form' in bud.

Wesley Fairhall 12 July 2024

IN THE GREENHOUSE

ALDROVANDA

Plants are now likely to have resumed growth. It is a good time of year to add tannin-stained water to their pond or container. This can be easily made by soaking sphagnum peat moss or fallen Eucalyptus or Callistemon leaves in a bucket of rainwater for a week or so, until the water turns brown. Strain the water through a fine sieve before adding to the plants. The tannin-stained water will help to control filamentous algae and will result in happier *Aldrovanda* plants.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Apply light foliar fertilisation (Avoid fertilisers high in Urea). Potted plants will produce more pups which may be divided when semi-mature.

BYBLIS

Byblis gigantea and *B. lamellata* are now in active growth. Keep the soil moist to wet. Treat seed with Ga3 or smoke water. Germination in Autumn usually takes 2-3 weeks.

The northern annual species of *Byblis* will soon finish their life cycle. Harvest seed.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Non-carnivorous leaves should be in full production. Pitchers will colour up nicely with the cooler nights.

DARLINGTONIA

Darlingtonia is now dormant. Keep moist and cold as long as possible to ensure a full dormancy is achieved. Sow seed onto moist Sphagnum moss and expose to the cold nights to aid stratification of the seed.

DIONAEA

All VFTs will now be dormant. Sow seed onto your preferred medium and expose to the cold to aid stratification of the seed. Seed will germinate in Spring.

DROSERA

Tuberous *Drosera* are now in active growth. Keep the pots moist. Add small wire trainers for the stem forming species.

Pygmy *Drosera* will end their gemmae phase and begin to produce carnivorous leaves. Keep plants moist to wet in full sun.

Other Winter growing species such as *Drosera ramentacea*, *D.cistiflora* and *D. pauciflora* will be in full growth and flower. Keep the pots moist to wet.

Tropical and sub-tropical species need to be kept warm to keep them alive. Species such as *D. burmannii* will begin to die. Harvest the seed and sow in Spring.

Members of the *Drosera Petiolaris*-complex may need artificial heating to keep them alive. Aim for a minimum temperature of 25°C. Keep the pots moist to stop the plants entering dormancy.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* may resume growth from their Winter dormancy. Increase sunlight and water.

DROSOPHYLLUM

Drosophyllum is in active growth and may be kept wetter during the cooler months. Seed may be sown onto moist compost after treatment with boiling water for 10 seconds. Germination may be from 2-8 weeks. Feed with insects to boost growth.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high with these species. Leaf and trap production will improve when the water level is at soil level. Artificial heating may be required. Avoid exposure to frosts and ideally keep plants above 10°C.

HELIAMPHORA

Keep plants in a bright but cool location. Mist regularly to help keep the pots cool. Light levels may be increased with the cooler nights.

NEPENTHES

Winter sees a dramatic drop in the growth rates and pitcher production of *Nepenthes*. Keep the lowland species above 15°C at night and as warm as possible during the day. Highland species enjoy cooler nights and will continue to grow. Keep highland plants above 5°C at night and between 20-25°C during the day.

PINGUICULA

Mexican species/hybrids are entering dormancy and often flower during this stage. Pollinate the flowers to obtain seed. Most species produce smaller fleshier leaves (heterophyllous). Some species such as *P. gigantea* will produce smaller typical leaves (homophyllous). Keep humidity high but the soil drier. Leaf cuttings may be taken by pulling the older leaves from the mother plant. Ensure you get all of the leaf including the white parts close to the roots.

Warm-temperate and temperate species such as *P. primuliflora* and *P. lusitanica* will continue to grow. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula growth rates increase with the cooler nights. Seed may be harvested now. Sow onto moist peat/sand. Germination may take 3-8 weeks. Keep the soil moist and ensure good air circulation.

SARRACENIA

Sarracenia may be beginning to exit dormancy by sending up flower buds in temperate and cooler climates. Ensure you remove all of the dead, and dying, pitchers and phyllodes. Increase plants exposure to the sun and watch for caterpillar, scale and mealy bug attack. Germination of seed will occur in warmer weather.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet. Flowering will resume in Spring.

Aquatic *Utricularia* will slow in growth and may be dormant. Keep an eye out for *U. australis* turions floating on the water's surface.

Winter growing species, such as *U. multifida* and *U. menziesii* will be in active growth.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

BASEBALL CAPS

Baseball caps printed with our logo on the front and name on the back are now available on order for \$35 each. To order, contact David at auscps@gmail.com

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

BURWOOD,
N.S.W. 1805**

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a not for profit organisation formed in December 2002 to promote the education, cultivation, and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank, ability to sell plants at official stalls at which the society participates, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high-quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$20 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
PO Box 70, Burwood, NSW 1805 AUSTRALIA
