

THE AUSTRALASIAN CARNIVOROUS PLANTS SOCIETY INC.

CARNIFLORA

NEWS

A.B.N. 65 467 893 226

December 2025

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

COMMITTEE

President - David Colbourn
davecolbourn@gmail.com

Vice President - Robert Little
robertjameslittle@yahoo.com.au

Treasurer - Wesley Fairhall
wesleyfairhall7@gmail.com

Secretary - Paul Fisher

Membership Secretary - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Glenn Carson

DELEGATES

Journal Editor - Dr. Robert Gibson

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor – Glenn Carson
glenncarson@iinet.net.au

Sydney Coordinator - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

Public Officer - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au
0421 271 888

Brisbane Coordinator – Liam Krieger
liamkrieger71@gmail.com

Website Manager - Marina Chong

Brisbane Coordinator - Brent Jones

CALENDAR

DECEMBER

3rd Dec 2025 AUSCPS meeting - Brisbane.
5th Dec 2025 AUSCPS meeting - Canberra.
13th Dec 2025 **AUSCPS Sydney Annual Show (Saturday).**

JANUARY

2nd Jan 2026 AUSCPS meeting - Canberra.
7th Jan 2026 AUSCPS meeting - Brisbane.
9th Jan 2026 AUSCPS meeting - Sydney featuring *Dionaea*.

FEBRUARY

6th Feb 2026 AUSCPS meeting - Canberra.
4th Feb 2026 AUSCPS meeting - Brisbane.
13th Feb 2026 AUSCPS meeting - Sydney featuring *Utricularia* and *Genlisea*.

MARCH

4th Mar 2026 AUSCPS meeting - Brisbane.
6th Mar 2026 AUSCPS meeting - Canberra.
13th Mar 2026 AUSCPS meeting - Sydney featuring *Drosophyllum*, *Roridula* and *Byblis*.

APRIL

1st Apr 2026 AUSCPS meeting – Brisbane.
2nd – 13th Apr 2026 **Royal Easter Show**
3rd Apr 2026 AUSCPS meeting – Canberra.
10th Apr 2026 AUSCPS meeting - Sydney featuring *Sarracenia*, *Darlingtonia* and *Heliamphora*.

MAY

1st May 2026 AUSCPS meeting – Canberra.
6th May 2026 AUSCPS meeting – Brisbane.
8th May 2026 AUSCPS meeting - Sydney featuring *Nepenthes*.

JUNE

3rd Jun 2026 AUSCPS meeting - Brisbane.
5th Jun 2026 AUSCPS meeting – Canberra.
12th Jun 2026 **AUSCPS Winter Show – Sydney.**

JULY

1st Jul 2026 AUSCPS meeting - Brisbane.
3rd Jul 2026 AUSCPS meeting – Canberra.
10th Jul 2026 AUSCPS meeting - Sydney featuring *Drosera*.
AUSCPS Annual General Meeting - Sydney.

AUGUST

5th Aug 2026 AUSCPS meeting – Brisbane.
7th Aug 2026 AUSCPS meeting – Canberra.
14th Aug 2026 AUSCPS meeting - Sydney featuring Native carnivorous plants.

SEPTEMBER

2nd Sep 2026 AUSCPS meeting - Brisbane.
4th Sep 2026 AUSCPS meeting - Canberra.
11th Sep 2026 AUSCPS meeting - Sydney featuring *Pinguicula* and *Utricularia*.

OCTOBER

2nd Oct 2026 AUSCPS meeting - Canberra.
7th Oct 2026 AUSCPS meeting - Brisbane.
9th Oct 2026 AUSCPS meeting - Sydney featuring *Nepenthes*

NOVEMBER

4th Nov 2026 AUSCPS meeting - Brisbane.
6th Nov 2026 AUSCPS meeting - Canberra.
13th Nov 2026 AUSCPS meeting - Sydney featuring *Sarracenia*, *Darlingtonia* and *Heliamphora*.

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not-for-profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

Hello, Fabulous Members and Friends!

From the cheerful crew at the Australasian Carnivorous Plant Society Inc., we're sending you a sleigh-load of warm wishes this Christmas and New Year! What a ride 2025 has been—truly a year in full bloom—and we're counting down to our Sydney Annual Show on December 13th, which is shaping up to be our biggest celebration yet! It's going to be a full day packed with plant-loving fun.

We're equally excited to see our Brisbane meetings growing stronger than ever, with new faces and plenty of enthusiasm for our carnivorous favourites. Members even ventured out to explore local hotspots where these plants thrive in the wild—excellent groundwork for our upcoming field guide! The weather didn't quite play along this year, but your dedication never wavered, and we're grateful.

A huge thank-you goes out to our Canberra branch champions, who jumped in to support meetings, stalls, and more. Your efforts are like the perfect fertiliser for our Society—helping us grow, attract new members, and spread invaluable plant knowledge. Truly, your ability to cultivate so many species in such challenging conditions continues to amaze us!

Our Sydney branch is also flourishing, proudly representing the Society at a variety of fairs and events. Our latest appearance at the Collector's Plant Fair created more buzz than ever! We're delighted to welcome new members who've generously shared their expertise and impressed us with fantastic presentations.

Looking ahead to 2026, we're preparing for exciting developments: a streamlined new banking system, fresh field guides, closer collaboration with our sister societies, and a growing membership. A heartfelt thanks to our committee and all our volunteers—you are the heart and soul of this Society, and none of this would be possible without your time, energy, and passion.

Wishing each of you a Christmas filled with joy, peace, and laughter alongside those you cherish. Here's to a wonderful holiday season and an incredible New Year to come!

Warm regards,
Glenn Carson
Newsletter Editor

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to glenncarson@iinet.net.au

CALL FOR ARTICLES: CARNIFLORA AUSTRALIS

We are currently low on content for our upcoming editions of *Carniflora Australis*. Do you have an idea for an article? Write it down and send it our way! We are happy to assist with polishing your piece. Below are some suggestions for article topics:

- Specific cultivation techniques
- Carnivorous plant field trips
- Propagation techniques
- Your favorite plant and why
- How your collection began
- Feeding and care tips

Don't hesitate to contribute to our publication. We look forward to reading your submissions!

SEEDBANK

The current list of seeds in the Seedbank is very large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

THE 5th AUSCPS ANNUAL SHOW 13th DECEMBER

There will be 6 categories in the competition (*Dionaea*, *Drosera*, *Sarracenia*, *Nepenthes*, Native and Other CP). First prize winners in each category will receive a \$20 Bunnings gift card and ribbon. 2nd and 3rd place winners will receive ribbons. Judging will be done via a packet of beans which will be handed to every visitor.

A Judge will be selected to announce the Grand Champion plant. The plant show set up is from 8:00 a.m. to 9:00 a.m. No plants will be accepted after 9:00 a.m. as this is when the public are allowed into the hall. Sale items will be allowed throughout the day. Dismantling can commence at 3:00 p.m.

Sales are restricted to members only and a 10% commission will be charged to help support society. All plants must be clearly marked with detachable price tags with the seller's identification. Please try to keep prices simple for tallying up, e.g. \$5, \$10, \$15, etc. Allow a 2% surcharge for card sales.

AUSTRALASIAN CARNIVOROUS
PLANT SOCIETY

SUMMER SHOW

FREE ENTRY

SYDNEY

9am - 3pm, Saturday 13th December 2025
Woodstock Community Centre, Fitzroy Street, Burwood.

International Carnivorous Plant Society

Hello ICPS member!

The December 2025 issue of CPN shipped on 14 November 2025.

Don't assume the article by Golos and Leach is about something most *Nepenthes* growers have seen. That is, a number of species can form their pitchers so the pitcher opening is at the surface of a fluffy soil like *Sphagnum* moss. The article is about something completely different.

Contents of Volume 54 Number 4, December 2025

- **A preview of the ICPS Conference 2026** — Felix Bokhorst
- **Carnivorous & Exotic Plant Symposium & Expo Kernersville, North Carolina** — May 16–17, 2026 — Ernie Pages
- **Observations of subterranean pitchers in cultivated *Nepenthes rhombicaulis*** — Michal R. Golos and Paul Leach
- **Adaptive strategies of *Nepenthes*: A review** — B. Wyatt Block
- **New cultivars** — Marcel van den Broek and Chris Rawlings and Yuri Sarzi and Rob Emberson and Flavio Boschi and Danilo Cazzaniga and Valerio Guidolin and Julian Müller and José Antonio Negrete Moreno and Alexander Fisch
- **Cultivar names registered in 2024** — Jan Schlauer

The PDF of the issue is available on our

<https://icps.clubexpress.com/> website.

This e-mail was sent by the **International Carnivorous Plant Society** to keep our members up to date on our latest events and other happenings. You may also follow ICPS events on our [Facebook](#) page and our [YouTube](#) channel.

If you do not wish to receive these messages, you may change your notification preferences by logging into your membership account at <https://icps.clubexpress.com> and updating your preferences in Profile -- More Member Options: Privacy/Cancel/Remove.

The International Carnivorous Plant Society is an organization of gardeners, horticulturists, conservationists, scientists, and educators all interested in sharing knowledge and news of carnivorous plants. The Society is a registered US IRS 501(c)(3) nonprofit corporation and is the International Cultivar Registration Authority (ICRA) for cultivated carnivorous plant names.

MEETINGS

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

CANBERRA

The Canberra chapter of the AUSCPS meets at 7:30 PM on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Contact Mathew Day if you have any questions about attending meetings. Canberra Convenor auscps-CBR@gmail.com

BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Banyo Council Library, Meeting Room 2, 284 St Vincents Road, Banyo QLD, 4014.

Please contact Liam at liamkrieger71@gmail.com or on 0429850774 for further details.

AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC – SYDNEY CHAPTER

MINUTES OF THE AUSTRALASIAN CARNIVOROUS PLANT SOCIETY

HELD ON FRIDAY, 14TH of NOVEMBER, 2025

AT

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 8:16 p.m.

PRESENT

There were 14 members in attendance.

APOLOGIES

Glenn C, Wes, Fuzzy, Rob G, Ian, Marina

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting were tabled for consideration.

Moved by: Marlon

Seconded by: Bob

BUSINESS ARISING / GENERAL BUSINESS

1. Summer Show – Saturday 13th December 2025

Fitzroy Hall.

Hall available for set up from 7.30 am, sellers must be financial members of AUSCPS, clean pots, label plants with price and seller ID.

Open to public 9 am

Close 3 pm

Categories;

Nepenthes

Drosera

Sarracenia

Dionaea

Native Carnivorous Plants

Carnivorous Plants – Other

Grand Champion

Prizes per category: 1st – Ribbon + \$20 gift voucher, 2nd – Ribbon + \$10 gift voucher, 3rd – Ribbon. Lunch provided for volunteers.

2. No AUSCPS Meeting Friday 12th December
3. AUSCPS is to use Penfold room for plant sales and display, room to be left as per photo display on wall. Keep room is separate hire.
4. Collectors Plant Fair – Clarendon Show Ground, Saturday 18th and Sunday 19th 2026. Awaiting invite for stall application.
5. Marlon has been invited to give talk on carnivorous plants at RAS 2026.
6. Seed bank list in newsletter needs updating, Marlon to liaise with Glenn.
7. AUSCPS Journal has been printed and awaiting collection.

CORRESPONDENCE

PLANT OF THE MONTH

Sarracenia, Darlingtonia and Heliamphora

S. excellens (red)	0
S. excellens (yellow)	0
S. flava x capilla (copper top)	2
S. hurricane creek (white)	5
S. sullivans x (legacy)	5
S. timothy king x Adrian slack	3
S. flava rupricorpora (claret)	4
S. cordie	0
S. flava x (tiger cross)	11
S. rubra (daniel rudds)	0
S. purpurua	0
H. collina	0
H. heterodosa x folliculata	5

H. heterodoxa	5
H. huberii	0

Dave discussed the characteristics and care of Sarracenia and Heliamphora

Plant of the Month S. flava x (tiger) grown by James Lim

The meeting closed at 9.00 p.m.

Next meeting will be on Friday, 9th January 2026

Plant of the Month –Dionaea

IN THE GREENHOUSE

ALDROVANDA

Plants are in active growth. Consider adding fresh decomposing leaf litter to the water to add CO₂. Keep frogs and tadpoles out of the water, as they may eat the plants. Plants may be grown in shade to reduce algae growth.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Protect from frost. Feed with 1/4 strength urea free liquid fertiliser every 4 weeks or so.

BYBLIS

Byblis gigantea and *lamellata* will be in full growth. Flowering begins. Cross pollinate flowers using the “Buzz” technique. Keep the soil moist.

The northern annual species of *Byblis* may be sown now. Germination commences when temperatures regularly reach 30°C. Artificial heat and/or smoke/GA3 treatment will induce germination.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Flowering occurs in mid to late Spring.

DARLINGTONIA

Darlingtonia are in growth and flower. Keep moist and expose to cold temperatures for as long as possible. Stratified seed will begin to germinate.

DIONAEA

All VFTs are in active growth with fresh leaves and flowers. Consider removing the flower spike and use in vegetative propagation.

DROSERA

Tuberous *Drosera* begin their dormancy with most species becoming dormant with the warmer weather. Reduce watering.

Pygmy *Drosera* will begin to flower as temperatures increase. Keep plants moist to wet.

Other Winter growing species such as *D. ramentacea*, *cistiflora* and *pauciflora* will begin to enter dormancy. Reduce watering.

Tropical and sub-tropical species will be in growth. Keep protected from frost.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* will end their dormancy and begin to grow and flower.

DROSOPHYLLUM

Drosophyllum will be in active growth and requires frequent feeding. In the absence of insect prey, a 1/4 strength urea free liquid fertiliser applied to the leaves is fine. *Drosophyllum* tolerates higher soil moisture levels during the cooler months and may be watered using the tray method. As temperatures increase, reduce watering and keep the soil just moist. Flowering commences in Spring. Flowers are self fertile.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high. Keep warm and protect from frost.

HELIAMPHORA

Keep plants in a bright and humid location. Light levels may be increased with the cooler nights. Feed with 1/4 strength urea free liquid fertiliser.

NEPENTHES

Spring is a great time for Nepenthes. Aim to keep the lowland plants above 15°C. Spotting of the leaves is a sign of temperatures being too low. Highland species enjoy the cooler nights and will continue to grow. Keep plants above 5°C.

PINGUICULA

Most Mexican species/hybrids are dormant. Look out for the Summer carnivorous leaves in the coming months. Keep the soil drier until growth resumes. Some of the non-carnivorous leaves may be removed for leaf cuttings.

Warm-temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Flowering occurs in the Spring. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering occurs in winter and spring. Sow seed now onto moist peat/sand. Germination may take 3-8 weeks. Keep the soil moist and place in very bright situations. Ensure good air circulation to avoid fungal attack of the seedlings.

SARRACENIA

All *Sarracenia* species/hybrids are in active growth. *Sarracenia flava* and *oreophila* species look their best in spring. Keep water level up and keep in full sun.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* will resume growth.

Winter growing species, such as *U. multifida* and *U. menziesii* will begin to end their growing cycle and go dormant as temperatures increase and soils dry out.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soil moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a non-profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank and merchandise, ability to sell plants at official stalls at which the society participates, free entry to our Annual Show competition, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:
