March 2026

Utricularia australis flower – Robert Gibson 2021

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

COMMITTEE

President - David Colbourn
davecolbourn@gmail.com

Vice President - Robert Little
robertjameslittle@yahoo.com.au

Treasurer - Wesley Fairhall
wesleyfairhall7@gmail.com

Secretary - Paul Fisher

Membership Secretary - Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Glenn Carson

DELEGATES

Journal Editor - Kirk 'Füzzzy' Hirsch

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor – Glenn Carson
glenncarson@iinet.net.au

Sydney Coordinator -Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au

Public Officer - Kirk 'Füzzzy' Hirsch
mijmark@ihug.com.au
0421 271 888

Brisbane Coordinator – Liam Krieger
liamkrieger71@gmail.com

Website Manager - Marina Chong

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Social Media Manager - Vacant

Canberra Coordinator – Mathew Day

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Library Manager - Glenn Carson
glenncarson@iinet.net.au

Events Coordinator - Vacant

Seed Bank Manager - Marlon Maclean
marlonjamesmaclean@gmail.com

CALENDAR

MARCH

4th Mar 2026 AUSCPS meeting - Brisbane.
6th Mar 2026 AUSCPS meeting - Canberra.
13th Mar 2026 AUSCPS meeting - Sydney featuring *Drosophyllum*, *Roridula* and *Byblis*.

APRIL

1st Apr 2026 AUSCPS meeting – Brisbane.
2nd – 13th Apr 2026 **Royal Easter Show**
3rd Apr 2026 AUSCPS meeting – Canberra.
10th Apr 2026 AUSCPS meeting - Sydney featuring *Sarracenia*, *Darlingtonia* and *Heliophora*.
19th Apr 2026 **AUSCPS Plant Fair - Burwood**

MAY

1st May 2026 AUSCPS meeting – Canberra.
6th May 2026 AUSCPS meeting – Brisbane.
8th May 2026 AUSCPS meeting - Sydney featuring *Nepenthes*.

JUNE

3rd Jun 2026 AUSCPS meeting - Brisbane.
5th Jun 2026 AUSCPS meeting – Canberra.
12th Jun 2026 **AUSCPS Winter Show – Sydney.**

JULY

1st Jul 2026 AUSCPS meeting - Brisbane.
3rd Jul 2026 AUSCPS meeting – Canberra.
10th Jul 2026 AUSCPS meeting - Sydney featuring *Drosera*.
10th Jul 2026 **AUSCPS Annual General Meeting - Sydney.**

AUGUST

5th Aug 2026 AUSCPS meeting – Brisbane.
7th Aug 2026 AUSCPS meeting – Canberra.
14th Aug 2026 AUSCPS meeting - Sydney featuring Native carnivorous plants.

SEPTEMBER

2nd Sep 2026 AUSCPS meeting - Brisbane.
4th Sep 2026 AUSCPS meeting - Canberra.
11th Sep 2026 AUSCPS meeting - Sydney featuring *Pinguicula* and *Utricularia*.

OCTOBER

2nd Oct 2026 AUSCPS meeting - Canberra.
7th Oct 2026 AUSCPS meeting - Brisbane.
9th Oct 2026 AUSCPS meeting - Sydney featuring *Nepenthes*

NOVEMBER

4th Nov 2026 AUSCPS meeting - Brisbane.
6th Nov 2026 AUSCPS meeting - Canberra.
13th Nov 2026 AUSCPS meeting - Sydney featuring *Sarracenia*, *Darlingtonia* and *Heliophora*.

DECEMBER

3rd Dec 2026 AUSCPS meeting - Brisbane.
5th Dec 2026 AUSCPS meeting - Canberra.
13th Dec 2026 **AUSCPS Sydney Annual Show (Saturday).**

JANUARY

1st Jan 2027 AUSCPS meeting - Canberra.
6th Jan 2027 AUSCPS meeting - Brisbane.
8th Jan 2027 AUSCPS meeting - Sydney featuring *Dionaea*.

FEBRUARY

5th Feb 2027 AUSCPS meeting - Canberra.
3rd Feb 2027 AUSCPS meeting - Brisbane.
12th Feb 2027 AUSCPS meeting - Sydney featuring *Utricularia* and *Genlisea*.

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not-for-profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

Vale Hasan Fahridin

The Society notes with deep sadness the passing of our long-standing member **Hasan Fahridin**. Hasan was a gracious, generous, and quietly modest contributor to our community. Though he often downplayed his horticultural skill, he consistently brought exceptional carnivorous plants for display and sale, many of which were offered at very reasonable prices. His presence, kindness, and enthusiasm enriched our meetings and will be warmly remembered.

We extend our heartfelt condolences to Hasan's wife and family during this difficult time. The Society will observe a **minute's silence at the March meeting** in his honour, and a formal condolence card will be sent to his family.

Hasan's remarkable collection of carnivorous plants was a reflection of his passion and dedication. A respectful enquiry will be made to his family regarding any plans for the care or future of his plants, to help ensure that his legacy in cultivation is preserved.

May his memory be a blessing to all who knew him.

INSTAGRAM PHOTOS

We are looking to expand our file of quality photographs used in the newsletter and on our Social Media platforms. If you have any photos that you think may be suitable for publication, please forward them to glenncarson@iinet.net.au

CALL FOR ARTICLES: CARNIFLORA AUSTRALIS

We are currently low on content for our upcoming editions of *Carniflora Australis*. Do you have an idea for an article? Write it down and send it our way! We are happy to assist with polishing your piece. Below are some suggestions for article topics:

- Specific cultivation techniques
- Carnivorous plant field trips
- Propagation techniques
- Your favorite plant and why
- How your collection began
- Feeding and care tips

Don't hesitate to contribute to our publication. We look forward to reading your submissions!

SEEDBANK

The current list of seeds in the Seedbank is very large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

THE ROYAL EASTER SHOW

The Royal Easter Show will be on from the 2nd to 13th April 2026 at Homebush, NSW. This is a wonderful opportunity to enter the Carnivorous Plant Competition to show off your wonderful plants and to win some prize money. Entries open mid-January and will close 25th February.

Again, we will need some volunteers to be on hand and help provide information to the public about carnivorous plants.

Carnivorous plants will be on display Thursday, 2nd April through to Friday, 3rd April.

CLOSING DATES FOR ENTRIES FOR Carnivorous Plants

ENTRY FEES All fees include GST. RAS Members who are not financial at the time of submitting their Entry Fees will not be eligible for the entry discount. Non-RAS Members Entry Fee An Entry Fee of \$39 per Exhibitor for unlimited entries. RAS Members receive 25% discount.

ENTRIES The Application for Entry will be accepted online ONLY. Enter online at: www.rasnw.com.au/competitions

First Session Carnivorous Plants Competition Friday 11 April 2025

CARNIVOROUS PLANTS PRIZE MONEY

1st \$40,

2nd \$20 each Class unless otherwise specified.

Class prize money supported by Australasian Carnivorous Plant Society Inc.

CLASS 160 - Dionaea (Venus Fly Trap), single cultivar, in pot not exceeding 200mm.

CLASS 161 - Drosera (Sundew), single species, in pot not exceeding 200mm.

CLASS 162 - *Nepenthes* (Tropical Pitcher Plant), single species or hybrid, minimum 3 pitchers, in pot not exceeding 350mm.

CLASS 163 - *Pinguicula* (Butterwort), single species, in pot not exceeding 200mm.

CLASS 164 - *Sarracenia*, single species or hybrid, minimum 3 pitchers, in pot not exceeding 200mm.

CLASS 165 - *Utricularia* and *Genlisea*, single species, in pot not exceeding 200mm.

CLASS 166 - Australian Native carnivorous plant, single cultivar, in pot not exceeding 200mm.

CLASS 167 - Carnivorous Plant, other, single species in pot not exceeding 200mm.

CHAMPION CARNIVOROUS PLANT All first prize winning Carnivorous Exhibits are eligible. Annual Trophy supported by Australasian Carnivorous Plant Society Inc.

Ashley David is coordinating World Carnivorous Plant Day through the International Carnivorous Plant Society. She has reached out to us to see if our group might be interested in participating this year with a short educational video. She has also sent details through our website contact form. Please feel free to reach out if you would like more info.

Can we discuss at the next meeting please?

INTERNATIONAL CARNIVOROUS PLANT SOCIETY

Hello ICPS member!

Welcome to the many new Kernersville Symposium members.

The March 2026 issue of CPN shipped on 11 February 2025.

Full members in the USA should have their printed copy by now. The PDF of the issue is now available on the ClubExpress website.

Andreas Fleischmann has a nice article about UV and plants which includes an explanation of what we see and what pollinators see. Please note that some of the fine details in the figures are more visible in the issue PDF and when released, the article PDF on the CPN website.

Contents of Volume 55 Number 1, March 2026

- **6th Annual World Carnivorous Plant Day May 6, 2026** – Kenny Coogan
- **Carnivorous & Exotic Plant Symposium & Expo Kernersville, North Carolina—May 16–17, 2026 Update** – Ernie Pages
- **Restoring North Alabama's *Sarracenia oreophila* bogs 2025** – Augustus Kirby
- **Fundraising for the preservation of endangered *Sarracenia*** – Katy Maxwell
- **Uptake of lead by *Nepenthes* via their pitchers** – Elizabeth M. Cusick and Francis Q. Brearley
- **UV-induced fluorescence in the flowers of certain pygmy and tuberous *Drosera* and in the traps of *Drosera barrettiorum*** – Andreas Fleischmann
- **New cultivars** – Aitor Tomás Reig and Alain Souralaysakd-Kim and Alexander Fisch and Théo Suwara and Zhikai Ma-Lishui
- **Carnivorous plant with a carnivorous insect eating a carnivorous vertebrate** – Mike Wang

The PDF of the issue is available on our <https://icps.clubexpress.com/> website.

The issue does not have a notice about the ICPS 2026 Conference in The Netherlands in the issue. Werkgroep Carnivora will host the ICPS 2026 Conference 21, 22, 23 August 2026 plus the excursion days 24, 25, 26 August at Hortus botanicus Leiden, The Netherlands.

Their website is <https://carnivora.nl/>.

CARNIVOROUS PLANT
NEWSLETTER

Journal of the International Carnivorous Plant Society

Volume 55, No. 1

March 2026

This e-mail was sent by the **International Carnivorous Plant Society** to keep our members up to date on our latest events and other happenings. You may also follow ICPS events on our [Facebook](#) page and our [YouTube](#) channel.

If you do not wish to receive these messages, you may change your notification preferences by logging into your membership account at <https://icps.clubexpress.com> and updating your preferences in Profile -- More Member Options: Privacy/Cancel/Remove.

The International Carnivorous Plant Society is an organization of gardeners, horticulturists, conservationists, scientists, and educators all interested in sharing knowledge and news of carnivorous plants. The Society is a registered US IRS 501(c)(3) nonprofit corporation and is the International Cultivar Registration Authority (ICRA) for cultivated carnivorous plant names.

PLANT FAIR

FREE ENTRY

9am to 4pm, Sunday 19th April 2026
Woodstock Community Centre, Fitzroy Street, Burwood
Hosted by the Australasian Carnivorous Plant Society

MEETINGS

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

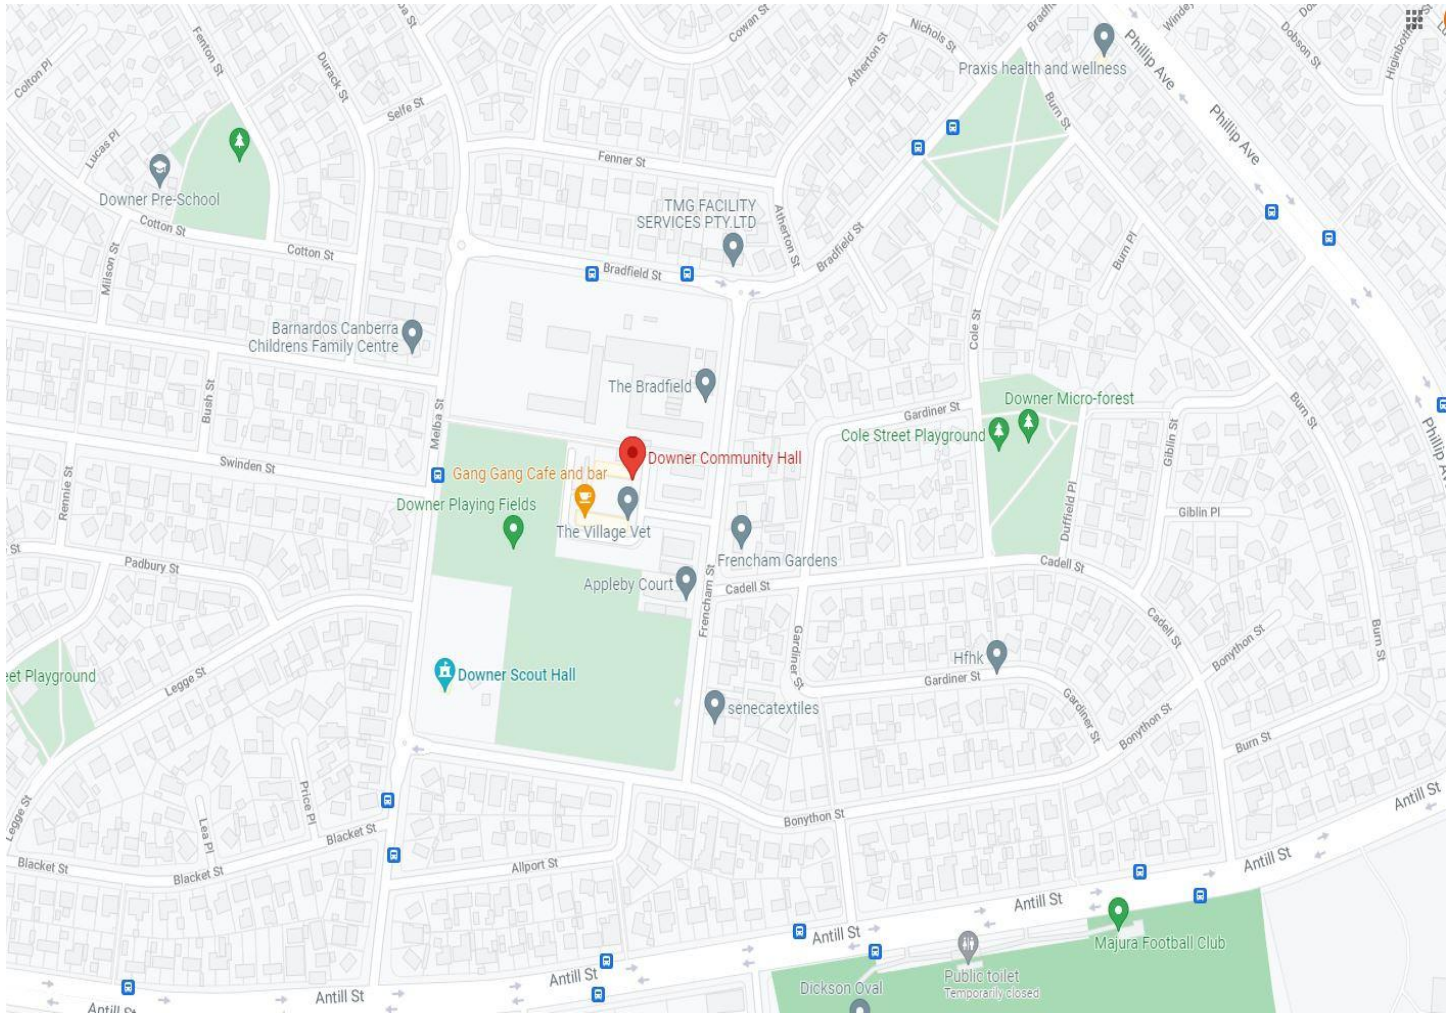

SYDNEY

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

CANBERRA

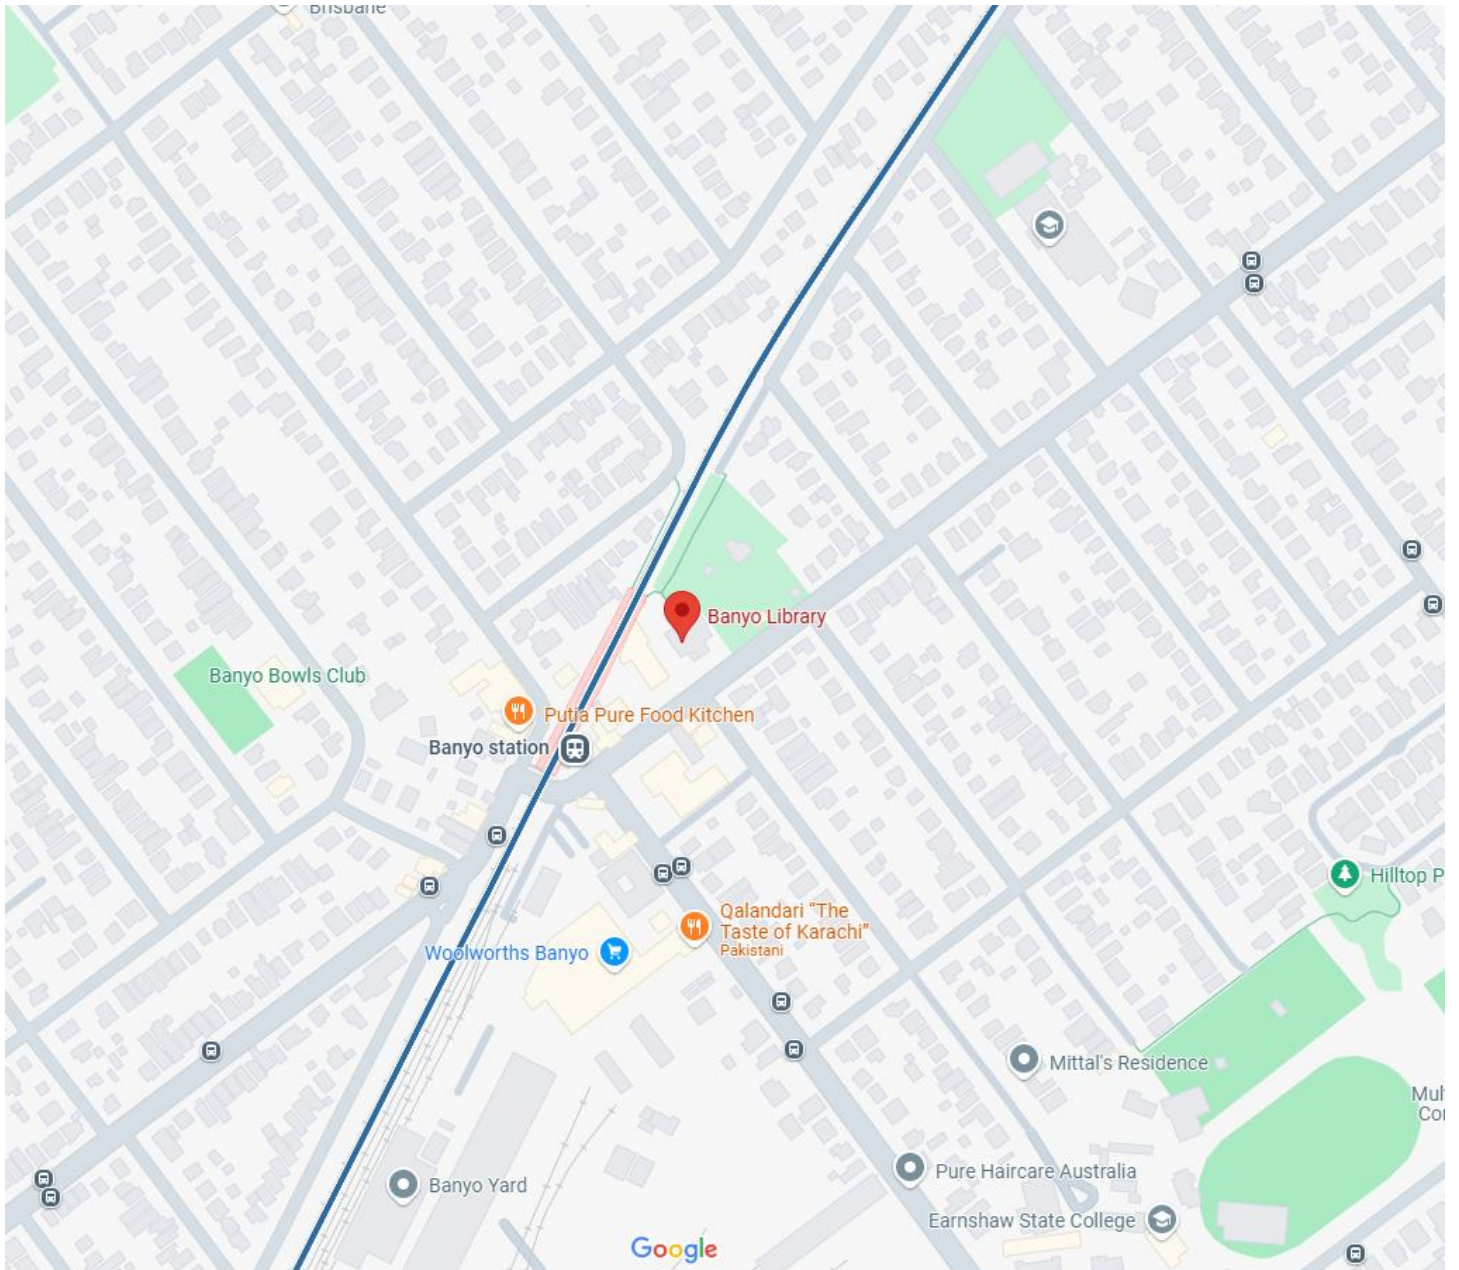

The Canberra chapter of the AUSCPS meets at 7:30 PM on the first Friday of each month at the Dickson Community Hall, Frencham Place, Downer, A.C.T. Contact Mathew Day if you have any questions about attending meetings. Canberra Convenor auscps-CBR@gmail.com

BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Banyo Council Library, Meeting Room 2, 284 St Vincents Road, Banyo QLD, 4014.

Please contact Liam at liamkrieger71@gmail.com or on 0429850774 for further details.

Australasian Carnivorous Plant Society Inc.

Minutes of General Meeting

Held Friday, 13 February 2026

Woodstock Community Centre, Church Street, Burwood

Meeting Opened

The meeting opened at **8:06 pm**.

Present

17 members attended.

Apologies

Glenn C

Wes F

Ian W

Rob G

Minutes of Previous Meeting

The minutes of the previous meeting held on **9 January 2026** were tabled and accepted.

- **Moved:** Paul
- **Seconded:** Kirk
- **Carried**

Business Arising / General Business

1. RAS Easter Show

Thursday 2 April – Monday 13 April 2026

- Carnivorous Plant Display: Thursday 2 April & Friday 3 April
- Judging: Thursday (by Marlon)
- Kirk will present two talks at the show
- Entries close: 25 February 2026

2. Collectors' Plant Fair

Saturday 18 April & Sunday 19 April 2026

- Event has been cancelled.
- This is normally a good fundraiser for the Society.

3. AUSCPS Plant Fair

Sunday 19 April 2026

9:00 am – 4:00 pm

Fitzroy Hall

Set-up from 6:30 am

- Sales only (no displays)

Current Sellers:

- AUSCPS Members
- Desert Jungle Plant Co
- Tropical Gardens Society of Sydney
- Nano Nursery
- Awaiting response from the Cactus Society

4. AUSCPS Winter Show

Friday 12 June 2026

- No formal meeting
- Proposed set-up from 6:30 pm

5. International Carnivorous Plant Day

Email received from ICPS regarding **International Carnivorous Plant Day – Wednesday 6 May 2026.**

The Society has been invited to submit a short video. Members are invited to participate if interested.

6. AUSCPS March Journal

The March journal is in its final stages. A draft has been circulated for review.

Correspondence

Incoming

- GCA *Our Gardens Magazine*, Issue 108 (Autumn 2026)

Outgoing

- Nil

Treasurer's Report

- Bank Balance: \$12,872
- Float: \$50 transferred from Frog account to float

Outgoing expenses include:

- Hire of Fitzroy Hall for April Plant Fair
- Printing costs for AUSCPS Journal advertisement (Brisbane Field Guide)

Membership Report

Currently **55 financial members**.

Plant of the Month

Utricularia and Genlisea

Entries:

- *Utricularia oppositiflora* × *barkeri* – 3
- *Utricularia biloba* – 2
- *Utricularia longifolia* var. *forgetiana* – 1
- *Utricularia sandersonii* – 6
- *Utricularia longifolia* – 7
- *Utricularia gibba* – 5

Plant of the Month Winner

Utricularia sandersonii grown by Marlon.

Growing Notes:

- Pot sits three-quarters submerged in water
- Water refilled when level drops
- Grown in filtered patio light
- Medium: 50/50 perlite and peat
- Flowers frequently, especially during spring

Meeting Closed

The meeting closed at **8:38 pm**.

Next Meeting

Friday, 13 March 2026

Plant of the Month:

Drosophyllum, *Roridula*, and *Byblis*

IN THE GREENHOUSE

ALDROVANDA

Plants are in active growth. Consider adding fresh decomposing leaf litter to the water to add CO₂. Keep frogs and tadpoles out of the water, as they may eat the plants. Plants may be grown in shade to reduce algae growth.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Protect from frost. Feed with 1/4 strength urea free liquid fertiliser every 4 weeks or so.

BYBLIS

Byblis gigantea and *B. lamellata* will be in full growth. Flowering begins. Cross-pollinate flowers using the "Buzz" technique. Keep the soil moist.

The northern annual species of *Byblis* may be sown now. Germination commences when temperatures regularly reach 30°C. Artificial heat and/or smoke/GA3 treatment will induce germination.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants. Flowering occurs in mid to late Spring.

DARLINGTONIA

Darlingtonia are in growth and flower. Keep moist and expose to cold temperatures for as long as possible. Stratified seed will begin to germinate.

DIONAEA

All VFTs are in active growth with fresh leaves and flowers. Consider removing the flower spike and use in vegetative propagation.

DROSERA

Tuberous *Drosera* begin their dormancy with most species becoming dormant with the warmer weather. Reduce watering.

Pygmy *Drosera* will begin to flower as temperatures increase. Keep plants moist to wet.

Other Winter growing species such as *D. ramentacea*, *D. cistiflora* and *pauciflora* will begin to enter dormancy. Reduce watering.

Tropical and sub-tropical species will be in growth. Keep protected from frost.

Temperate *Drosera* such as *D. filiformis*, *D. intermedia* and *D. rotundifolia* will end their dormancy and begin to grow and flower.

DROSOPHYLLUM

Drosophyllum will be in active growth and requires frequent feeding. In the absence of insect prey, a 1/4 strength urea free liquid fertiliser applied to the leaves is fine. *Drosophyllum* tolerates higher soil moisture levels during the cooler months and may be watered using the tray method. As temperatures increase, reduce watering and keep the soil just moist. Flowering commences in Spring. Flowers are self fertile.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high. Keep warm and protect from frost.

HELIAMPHORA

Keep plants in a bright and humid location. Light levels may be increased with the cooler nights. Feed with 1/4 strength urea free liquid fertiliser.

NEPENTHES

Spring is a great time for Nepenthes. Aim to keep the lowland plants above 15°C. Spotting of the leaves is a sign of temperatures being too low. Highland species enjoy the cooler nights and will continue to grow. Keep plants above 5°C.

PINGUICULA

Most Mexican species/hybrids are dormant. Look out for the Summer carnivorous leaves in the coming months. Keep the soil drier until growth resumes. Some of the non-carnivorous leaves may be removed for leaf cuttings.

Warm-temperate species such as *P. primuliflora* and *P. lusitanica* will continue growth. Flowering occurs in the Spring. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering occurs in winter and spring. Sow seed now onto moist peat/sand. Germination may take 3-8 weeks. Keep the soil moist and place in very bright situations. Ensure good air circulation to avoid fungal attack of the seedlings.

SARRACENIA

All *Sarracenia* species/hybrids are in active growth. *Sarracenia flava* and *S. oreophila* species look their best in spring. Keep water level up and keep in full sun.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* will resume growth.

Winter growing species, such as *U. multifida* and *U. menziesii* will begin to end their growing cycle and go dormant as temperatures increase and soils dry out.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soil moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of "The Savage Garden" for members and friends to purchase. The Savage Garden, by Peter D'Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF SYDNEY AND THE BLUE MOUNTAINS

Available now: email auscps@gmail.com

Members \$15

Non-Members \$20

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF CANBERRA AND THE SNOWY MOUNTAINS

Available now: email auscps@gmail.com

Members \$5

Non-members \$10

FIELD GUIDE TO THE CARNIVOROUS PLANTS OF CAIRNS AND THE ATHERTON TABLELANDS

To be released in 2024

Members \$20

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a non-profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank and merchandise, ability to sell plants at official stalls at which the society participates, free entry to our Annual Show competition, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
