May 2026

Sydney Royal Easter Show Grand Champion Carnivorous Plant – *Cephalotus follicularis* – By Nicole McClelland

Welcome to *Carniflora News*, a newsletter produced by the Australasian Carnivorous Plants Society Inc. (AUSCPS) that documents the meetings, news, and events of the Society.

The current committee of the AUSCPS comprises:

COMMITTEE

President - David Colbourn
davecolbourn@gmail.com

Vice President - Robert Little
robertjameslittle@yahoo.com.au

Treasurer - Wesley Fairhall
wesleyfairhall7@gmail.com

Secretary - Paul Fisher

Membership Secretary - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

General Committee Member - Glenn Carson

DELEGATES

Journal Editor - Kirk 'Fuzzy' Hirsch

Sydney Coordinator - Wesley Fairhall
wesleyfairhall7@gmail.com

Newsletter Editor – Glenn Carson
glenncarson@iinet.net.au

Sydney Coordinator -Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au

Public Officer - Kirk 'Fuzzy' Hirsch
mijmark@ihug.com.au
0421 271 888

Brisbane Coordinator – Liam Krieger
liamkrieger71@gmail.com

Website Manager - Marina Chong

Brisbane Coordinator - Brent Jones
brent.jones@outlook.com

Social Media Manager - Vacant

Canberra Coordinator – Mathew Day

Merchandise Manager - David Colbourn
davecolbourn@gmail.com

Library Manager - Glenn Carson
glenncarson@iinet.net.au

Events Coordinator - Vacant

Seed Bank Manager - Marlon Maclean
marlonjamesmaclean@gmail.com

CALENDAR

MAY

1st May 2026 AUSCPS meeting – Canberra.
6th May 2026 AUSCPS meeting – Brisbane.
8th May 2026 AUSCPS meeting - Sydney featuring *Nepenthes*.

JUNE

3rd Jun 2026 AUSCPS meeting - Brisbane.
5th Jun 2026 AUSCPS meeting – Canberra.
12th Jun 2026 **AUSCPS Winter Show – Sydney.**

JULY

1st Jul 2026 AUSCPS meeting - Brisbane.
3rd Jul 2026 AUSCPS meeting – Canberra.
10th Jul 2026 AUSCPS meeting - Sydney featuring *Drosera*.
10th Jul 2026 **AUSCPS Annual General Meeting - Sydney.**

AUGUST

5th Aug 2026 AUSCPS meeting – Brisbane.
7th Aug 2026 AUSCPS meeting – Canberra.
14th Aug 2026 AUSCPS meeting - Sydney featuring Native carnivorous plants.

SEPTEMBER

2nd Sep 2026 AUSCPS meeting - Brisbane.
4th Sep 2026 AUSCPS meeting - Canberra.
11th Sep 2026 AUSCPS meeting - Sydney featuring *Pinguicula and Utricularia*.

OCTOBER

2nd Oct 2026 AUSCPS meeting - Canberra.
7th Oct 2026 AUSCPS meeting - Brisbane.
9th Oct 2026 AUSCPS meeting - Sydney featuring *Nepenthes*

NOVEMBER

4th Nov 2026 AUSCPS meeting - Brisbane.
6th Nov 2026 AUSCPS meeting - Canberra.
13th Nov 2026 AUSCPS meeting - Sydney featuring *Sarracenia, Darlingtonia and Heliamphora*.

DECEMBER

3rd Dec 2026 AUSCPS meeting - Brisbane.
5th Dec 2026 AUSCPS meeting - Canberra.
13th Dec 2026 **AUSCPS Sydney Annual Show (Saturday).**

JANUARY

1st Jan 2027 AUSCPS meeting - Canberra.
6th Jan 2027 AUSCPS meeting - Brisbane.
8th Jan 2027 AUSCPS meeting - Sydney featuring *Dionaea*.

FEBRUARY

5th Feb 2027 AUSCPS meeting - Canberra.
3rd Feb 2027 AUSCPS meeting - Brisbane.
12th Feb 2027 AUSCPS meeting - Sydney featuring *Utricularia and Genlisea*.

MARCH

7th Mar 2027 AUSCPS meeting – Canberra.
2nd Mar 2027 AUSCPS meeting – Brisbane.
9th Mar 2027 AUSCPS meeting - Sydney featuring *Drosophyllum, Roridula and Byblis*.

APRIL

7th Apr 2027 AUSCPS meeting – Brisbane.
2nd Apr 2027 AUSCPS meeting – Canberra.
9th Apr 2027 AUSCPS meeting - Sydney featuring *Sarracenia, Darlingtonia and Heliamphora*.

NEWS

MEMBERSHIP RENEWAL

Membership of the Australasian Carnivorous Plant Society Inc. (AUSCPS) is \$20 per calendar year, or \$35 if you require printed journals with your membership. The AUSCPS is a not-for-profit organisation that promotes the conservation and cultivation of carnivorous plants in Australia and abroad.

JOIN NOW

Becoming a member of our society offers great benefits such as receiving two editions of our journal, *Carniflora Australis*, 12 monthly newsletters, *Carniflora News*, seed subsidies, discounts on merchandise, access to our free library, and the ability to sell plants at fairs and events attended by the Society. Simply fill out the membership form included in our newsletter and follow the payment instructions.

CALL FOR ARTICLES: CARNIFLORA AUSTRALIS

We are currently low on content for our upcoming editions of *Carniflora Australis*. Do you have an idea for an article? Write it down and send it our way! We are happy to assist with polishing your piece. Below are some suggestions for article topics:

- Specific cultivation techniques
- Carnivorous plant field trips
- Propagation techniques
- Your favorite plant and why
- How your collection began
- Feeding and care tips

Don't hesitate to contribute to our publication. We look forward to reading your submissions!

SEEDBANK

The current list of seeds in the Seedbank is exceptionally large. Rather than bring it to every meeting, which can be difficult, it is recommended that seeds are ordered via email. After payment has been received the specific order can be brought along to the meetings or posted in the normal way.

INTERNATIONAL CARNIVOROUS PLANT SOCIETY

Hello ICPS member!

Welcome to the many new Kernersville Symposium members.

The March 2026 issue of CPN shipped on 11 February 2026.

Full members in the USA should have their printed copy by now. The PDF of the issue is now available on the ClubExpress website.

Andreas Fleischmann has a nice article about UV and plants which includes an explanation of what we see and what pollinators see. Please note that some of the fine details in the figures are more visible in the issue PDF and when released, the article PDF on the CPN website.

Contents of Volume 55 Number 1, March 2026

- **6th Annual World Carnivorous Plant Day May 6, 2026** – Kenny Coogan
- **Carnivorous & Exotic Plant Symposium & Expo Kernersville, North Carolina—May 16–17, 2026 Update** – Ernie Pages
- **Restoring North Alabama's *Sarracenia oreophila* bogs 2025** – Augustus Kirby
- **Fundraising for the preservation of endangered *Sarracenia*** – Katy Maxwell
- **Uptake of lead by *Nepenthes* via their pitchers** – Elizabeth M. Cusick and Francis Q. Brearley
- **UV-induced fluorescence in the flowers of certain pygmy and tuberous *Drosera* and in the traps of *Drosera barrettiorum*** – Andreas Fleischmann
- **New cultivars** – Aitor Tomás Reig and Alain Souralaysakd-Kim and Alexander Fisch and Théo Suwara and Zhikai Ma-Lishui
- **Carnivorous plant with a carnivorous insect eating a carnivorous vertebrate** – Mike Wang

The PDF of the issue is available on our <https://icps.clubexpress.com/> website.

The issue does not have a notice about the ICPS 2026 Conference in The Netherlands in the issue. Werkgroep Carnivora will host the ICPS 2026 Conference 21, 22, 23 August 2026 plus the excursion days 24, 25, 26 August at Hortus botanicus Leiden, The Netherlands.

Their website is <https://carnivora.nl/>.

THE ROYAL EASTER SHOW

The AUSCPS sponsors the Carnivorous Plant competition at the Royal Easter Show in Sydney. The Carnivorous Plant competition was held on Thursday the 2nd of April. The displays were there until Friday the 3rd of April.

There was a good number of entrants this year. The winners were:

Class 0160 - Dionaea

- First place – Nicole McClelland
- Second place – David Colbourn
- Third place – David Colbourn

Class 0161 - Drosera

- First place – Nicole McClelland
- Second place – Glenn Carson
- Third place - David Colbourn

Class 0162 - Nepenthes

- First place – David Colbourn
- Second place – Nicole McClelland
- Third place – David Colbourn

Class 0163 – Pinguicula

- First place- Nicole McClelland
- Second place – David Colbourn
- Third place - David Colbourn

Class 0164 - Sarracenia

- First place- Nicole McClelland
- Second place - Glenn Carson
- Third place – David Colbourn

Class 0165 – Australian Native

- First place- Nicole McClelland (Champion Plant)
- Second place - David Colbourn
- Third place – David Colbourn

Class 0166 - Other

- First place – Nicole McClelland
- Second place – David Colbourn
- Third place- David Colbourn

Grand Champion – Cephalotus grown by Nicole McClelland

Congratulations to all who brought in plants, and for those whose plants won places. All plants generated much interest from passers-by.

ANNUAL GENERAL MEETING

NOMINATIONS FOR THE COMMITTEE

Our A.G.M. is planned for 10th July 2026 meeting in Sydney. One of the objectives at this meeting is to elect committee members. We are a national society, and as such, members from across Australia are eligible to be nominated for each position. A description of each elected position is contained below. **Included with this newsletter are instructions on how to nominate members for the listed positions and a nomination form.**

A list of nominations will then be published in June and voted on at the A.G.M. Interstate / international members will be able to make their vote via proxy. Please consider volunteering for the Society by standing for one of the roles.

The roles and their descriptions are:

President - The President oversees all the Society's activities and will chair General, Extraordinary, and Annual General meetings in accordance with proper business meeting etiquette. The President casts the 'Deciding Vote' in the event of a deadlock arising from a motion or other matters requiring a vote at Committee level. The President will need good communication, people management, motivational, organisational and delegation skills.

Vice President - The Vice President is responsible for the overall operation of the Society in the absence or otherwise incapacity of the President. The Vice President requires good communication, teamwork and organisational skills.

Treasurer - The Treasurer shall ensure that correct books and accounts are kept showing the financial affairs of the Society. These records shall be available for inspection by any member and shall be held in the custody of the Treasurer. A financial report is to be presented at the A.G.M. The Treasurer will need good accounting and communication skills.

Secretary - The Secretary unless another person is so appointed by the Committee is responsible for the incoming and outgoing business correspondence for the Society. Including but not limited to reading emails and letters, and mail out of Journals. The Secretary shall ensure that records of the Constitution/Rules of the Society and minutes of all general and committee meetings are kept. These records shall be available for inspection by any member and shall be held in the custody of the Secretary.

Membership Secretary - The Membership Officer is automatically appointed as Public Officer unless another person is so appointed by the Committee and shall ensure that the register of members is kept up to date. Membership records shall be available for inspection by any member and shall be held in the custody of the Membership Secretary.

MEETINGS

The Australasian Carnivorous Plant Society Inc. currently holds meetings in New South Wales, the Australian Capital Territory and Queensland. Meetings are a great place for members and friends to socialise, share experiences, buy, swap, and sell carnivorous plants.

Meetings are friendly and informative and cater for the experienced grower or new collector to the hobby. Occasionally, we have guest presenters who will give a talk on their adventures discovering carnivorous plants in the wild, or how best to cultivate them in your environment.

We hope you can attend one of our meetings and enjoy the fellowship of other enthusiasts for these wonderful plants.

SYDNEY

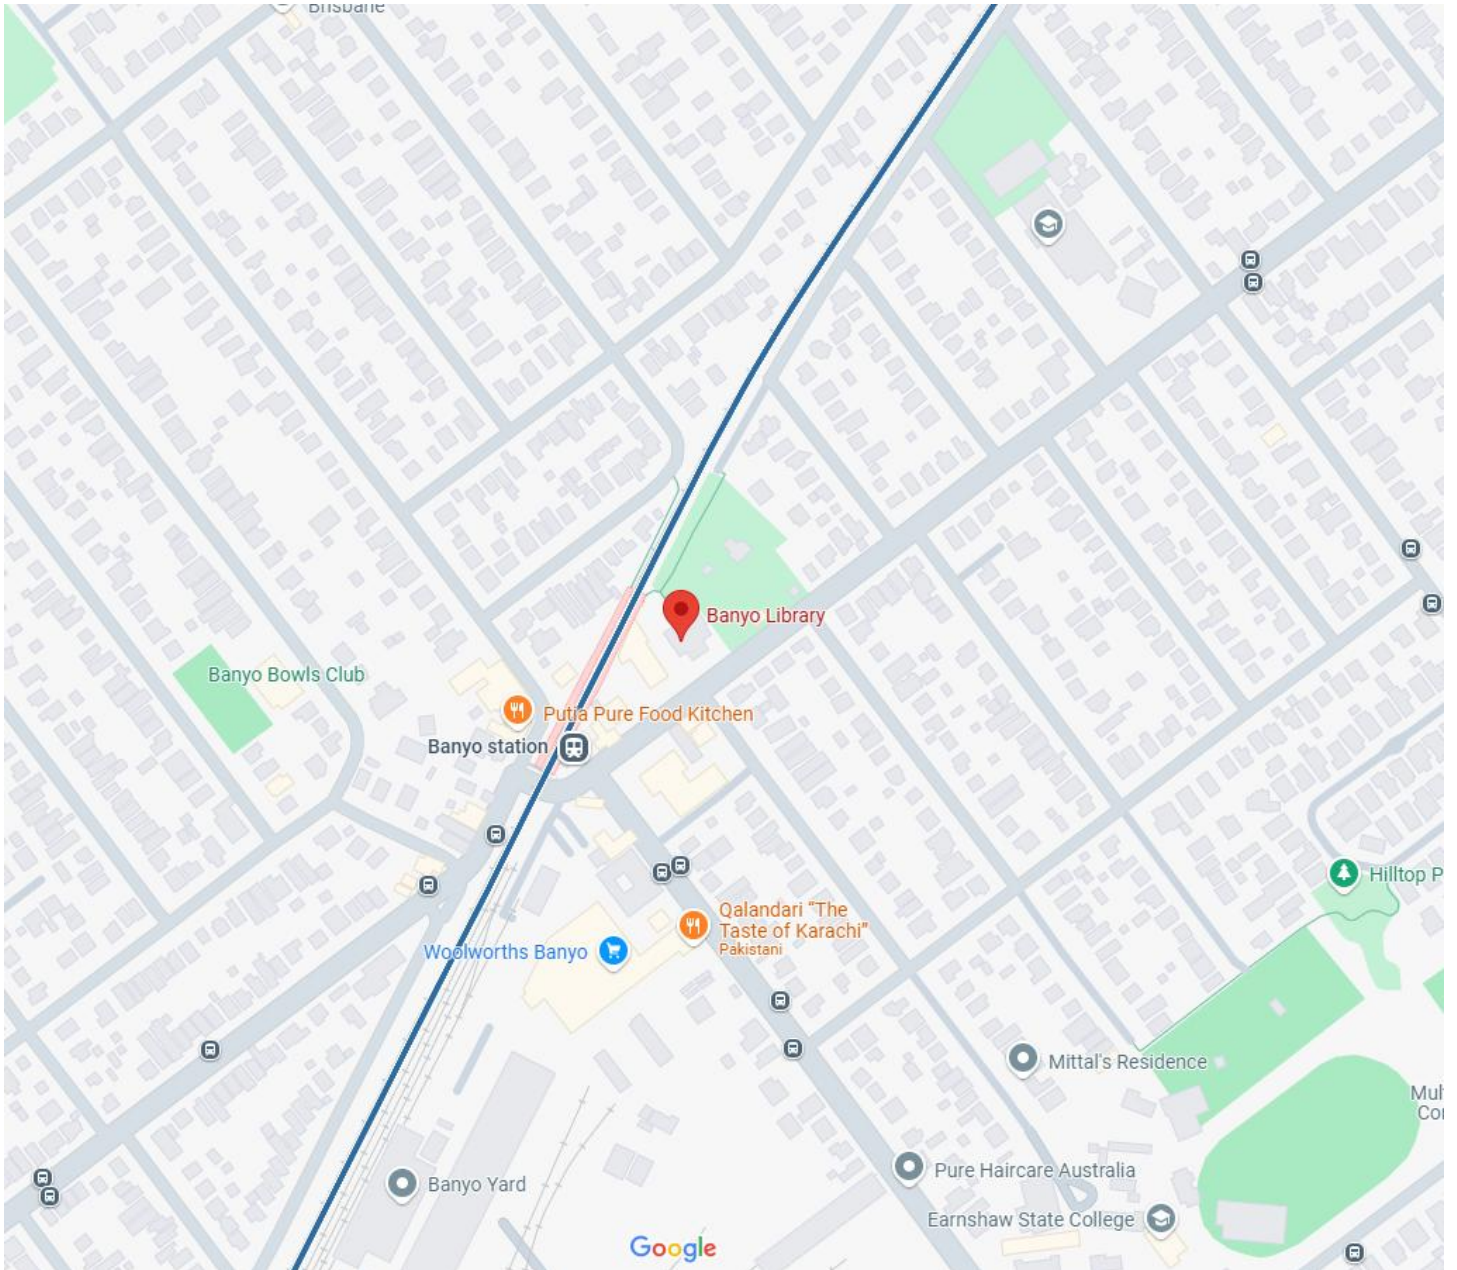

The Sydney chapter of the AUSCPS meets at 7:30 PM on the second Friday of each month at the Woodstock Community Centre, Church Street, Burwood, NSW. Free parking is available off Fitzroy Street. Public transport is available with Burwood train station about 1 kilometre to the north. Call Kirk on 0421 271 888 or David on 0410 643 531 if you have any questions about attending meetings.

BRISBANE

The Brisbane chapter of the AUSCPS meets at 7:00 p.m. on a Wednesday once a month (please refer to the calendar for dates) at the Banyo Council Library, Meeting Room 2, 284 St Vincents Road, Banyo QLD, 4014.

Please contact Liam at liamkrieger71@gmail.com or on 0429850774 for further details.

MINUTES FRIDAY, 10TH of APRIL 2025

AT

WOODSTOCK COMMUNITY CENTRE, CHURCH STREET, BURWOOD

The meeting opened at 7.38 pm

PRESENT

There were 10 attendees present.

APOLOGIES

Glenn C, Dave C, Kirk H, Rob G, Wes F

MINUTES OF PREVIOUS MEETING

The minutes of the previous meeting of 13th March 2026 were tabled at this meeting with Plant of the Month grower incorrect, should read Bret Stuart not Brett Daly - corrected.

Sean Accepted

Paul Seconded the motion.

BUSINESS ARISING / GENERAL BUSINESS

1. RAS Easter Show Feedback by Marlon. A good variety of plants were on show. The grand champion this year was a Cephalotus, grown by Owen Wilson, Marlon chatted with a number of people and society details were given out to interested parties.
2. AUSCPS holding Plant Fair – Sunday 19th April 2026 9 am – 4 pm in Fitzroy Hall
We will be outside. We will have more room available to us compared to the CPF. Please see who will be selling at the fair and report back. Sellers will need to bring their own tables etc. I will bring along the Society gazebo, bottled water, float, hessian, potting mixes and books. We will need hooks, chairs, vests, Square reader and good weather. Dave has commenced a Social media advertising campaign to promote the fair. At this stage we have 7 sellers coming with the possibility of Hills District Orchids and Jolande's Boutique Plants coming. Society sellers need to be current financial members. Set up is from 6:30am for those in the Fitzroy Hall. Those outside can set up earlier. Early bird gets the worm when it comes to parking.
3. AUSCPS Winter Show – Friday 12th June 2026
No formal meeting. Set up from 7.15 pm.
4. We now have a working committee of the ICPS Conference proposal. Thank you to those who volunteered. The proposal document has progressed well and we look to finalise it by June with formal submissions before August when the winner will be announced at the ICPS Conference in Leiden.

5. Sales for the Brisbane guide have been good with about 20-25 sold already. We only have 1 Cephalotus book left. \$265 on ebay.
6. Our AGM is coming up Friday 10th July 2026. Members to consider serving on the committee.

MEMBERSHIP REPORT

Membership Secretary was not in attendance

PLANT OF THE MONTH

Sarracenia, Darlingtonia and Heliamphora

Marlon and Yopi gave a talk about their plants on display including origin and growing conditions/methods.

S. psittacina – Giant	7
S. psittacine – “scarlet belle”	5
S. “hawaiian cocktail”	5
S. purpurea	5
S. umlauftiana	8
S. purpurea	1

Plant of the Month S.umlauftiana grown by Yopi

The meeting closed at 7.56 p.m.

Next meeting will be on Friday, 8th May 2026

Plant of the Month – Nepenthes.

IN THE GREENHOUSE

ALDROVANDA

Plants are in active growth. Consider adding fresh decomposing leaf litter to the water to add CO₂. Keep frogs and tadpoles out of the water, as they may eat the plants. Plants will divide rapidly. Plants may be grown in shade to reduce algae growth.

BROCCHINIA / CATOPSIS

Maintain high light levels and humidity. Water from above. Feed with 1/4 strength urea free liquid fertiliser every 4 weeks or so.

BYBLIS

Byblis gigantea and *lamellata* are naturally dormant over summer but may be kept in growth with constant soil moisture. Keep the soil moist to wet. Flowering continues. Harvest seed.

The northern annual species of *Byblis* will now be in active growth. Growth rates will be higher in hot and humid conditions. Cross pollinate the flowers to ensure seed set.

Growth rates for all species of *Byblis* may be accelerated with increased prey capture or fertilisation. Place some rotting fruit around the plants or sprinkle granulated fish food onto the leaves. Pollinate the flowers using the “buzz” technique.

CEPHALOTUS

Keep the soil moist but well drained. Avoid fungal problems by keeping good air movement around the plants.

DARLINGTONIA

Darlingtonia will be in active growth. Stolons will begin growing under the substrate. Watch out for hot days. Place your plants in more shade or consider bringing them indoors during hot weather. Night temperatures are high, so it is imperative that the roots are kept cool.

DIONAEA

All VFTs should be in active growth. Many varieties will begin to produce upright petioles and traps, a strategy to compete with surrounding vegetation. Keep well-watered.

DROSERA

Tuberous *Drosera* are dormant and will soon break dormancy. Ensure your repotting is done this month. Keep the pots barely moist.

Pygmy *Drosera* are dormant over summer and survive with the production of white stipule buds to reflect the sun and absorb the morning dew. Plants may be kept moister to keep in active growth.

Other Winter growing species such as *D. cistiflora* and *pauciflora* are still dormant. Reduce watering and keep the pots barely moist.

Tropical and subtropical species will be in full growth and flower. Keep the soil very moist. Collect seed and sow onto a peat-based media.

Temperate *Drosera* such as *D. filiformis*, *intermedia* and *rotundifolia* will be in active growth and flower. Seed pods will be maturing, harvest seed.

DROSOPHYLLUM

Drosophyllum will be in active growth. Flowering commences in spring and continues into summer. Flowers are self fertile. Harvest seed. Avoid hot and humid conditions. Growth rates increase with increased prey capture.

GENLISEA

Genlisea should be in flower and active growth. Keep the water levels high with these species.

HELIAMPHORA

Keep plants in a bright and very humid location. Avoid temperatures over 30°C. Fertilise with a diluted foliar application of urea free fertiliser every 2-4 weeks.

NEPENTHES

Some *Nepenthes* struggle over the Australian summer. Aim to keep the lowland plants warm to hot and in high humidity. Highland species require cooler nights. Mist in the afternoon to reduce air temperatures and increase humidity.

PINGUICULA

Mexican species/hybrids are in active growth. Keep the soil moist and humidity high.

Warm temperate species such as *P. primuliflora* and *lusitanica* will continue growth. Keep the water up to *P. primuliflora* and take leaf cuttings.

RORIDULA

Roridula is in active growth. Flowering ends. Harvest any seed. Keep the soil moist and place in a very bright and airy situation with low humidity.

SARRACENIA

All *Sarracenia* species/hybrids are in active growth. Keep well-watered and in full sun. *S. flava* and *oreophila* will produce non-carnivorous phyllodia. *S. leucophylla* and *rubra* will produce larger and more upright pitchers. They look their best in autumn.

UTRICULARIA

Most terrestrial *Utricularia* will be in active growth and flower. Keep moist to wet.

Aquatic *Utricularia* are in active growth. Keep algae under control.

Winter growing species, such as *U. multifida* and *menziesii* are still dormant. Keep the soil barely moist.

Tropical *Utricularia* - Maintain higher temperatures, humidity and air movement. Keep soils moist.

MERCHANDISE

CONTACT CARDS

The Society now produces a business sized card with all our contact details. The cards are free and available for collection from our meetings. Members and visitors are welcome to take a handful of cards to distribute to other Carnivorous Plant enthusiasts.

SMOKE DISCS

Smoke discs aid in the germination of difficult species of *Drosera*, *Byblis* etc., that often germinate after a bushfire. The discs are available for \$5.00 each at meetings or contact Marlon Maclean at marlonjamesmaclean@gmail.com

SEED BANK

Seed packets are \$1 each for members. Donations of seed are welcome. Please supply location data if available. Your Seed Bank Manager is Marlon Maclean at marlonjamesmaclean@gmail.com. The seed bank list is contained at the end of this newsletter.

POTTING MIXES

The Society is now selling assorted bags of Carnivorous Plant potting mix to members and friends. We have quality *Sphagnum* Peat Moss, Mexican *Pinguicula*, *Nepenthes* and *Sarracenia* mixes. Each bag is \$5 and may be purchased at meetings or events.

THE SAVAGE GARDEN

The Society is also selling copies of the second edition of “The Savage Garden” for members and friends to purchase. The Savage Garden, by Peter D’Amato, is one of the best books dedicated to the cultivation of Carnivorous Plants, covering more than 300 species, gloriously illustrated with more than 200 colour photographs over 374 pages.

We are offering this book to members for \$35 and to non-members for \$40. The books may be purchased from Society meetings and events, or via PayPal and posted to anywhere in Australia for \$12. Contact David at auscps@gmail.com to order.

MEMBERSHIP FORM

The Australasian Carnivorous Plant Society Inc. is a non-profit organisation formed in December 2002 to promote the education, cultivation and conservation of carnivorous plants. The Society formed from the New South Wales Carnivorous Plant Society Inc. which was established in 1986 and produced the journal *Flytrap News*.

Annual membership entitles you access to our subsidised seed bank and merchandise, ability to sell plants at official stalls at which the society participates, free entry to our Annual Show competition, monthly E-newsletters, and two editions of ***Carniflora Australis***, our high quality biannual journal. Membership is \$35 per year, however if you wish to receive electronic versions of the journal, membership is only \$25 per year (valid email address is required). Payment options are detailed below:

CASH, MONEY ORDER OR CHEQUE

Please send your money order or cheque, made out to AUSTRALASIAN CARNIVOROUS PLANT SOCIETY INC., along with the completed form below to:

Membership Secretary
Australasian Carnivorous Plant Society Inc.
PO Box 70, Burwood, NSW 1805 AUSTRALIA

DIRECT DEPOSIT

Banking details are below. Please add your email address and name as payment reference. Alternatively, email the Membership Secretary at auscps@gmail.com to advise of your payment and attach the completed form below:

Acc. Name: Australasian Carnivorous Plant Society Inc.
Acc. BSB: 112879
Acc. Number: 195074412
